Streams Of Mercy:

Streams of Mercy William THOMSON (Writer of Religious Tracts.),1894 Streams of Mercy; Turning Impossibilities to Possibilities Ronke Carons,2017-09-12 Streams of Mercy is a true story of a teenage orphan who turned so many impossibilities to possibilities She lost her mother at 13 and her father at 19 and was tossed into the unknown and unsecure world though a beautiful one by God s creation with no hold like a rudderless ship She looked to the right no father to the left no mother No one should have to suffer her kind of pains No one can replace your father and mother Within the short period of her life with her parents she had been grounded in the knowledge of the power of faith hope and love of God the heavenly father That was her place of solace The very fact of the absence of the spiritual aura of the parents made the journey more tedious and excruciating Here is a simple truth that is generally lost in the scheme of things a child with two living parents has three prayer pivots and routes to the throne of grace When they die those pivots and routes are reduced to just one This makes the life of an orphan unenviable on all levels She had to survive on her own along with her siblings The journey took her through many mountains and valleys including moments of joy and sadness success and failure laughing and weeping births and deaths frustration and restoration The pivotal essence of her life was the streams of mercy At every juncture of obstacles and impossibilities the wonderful beautiful and calming stream of mercy flow from the throne of grace to create a way to the possible This experience is beyond imagination This book will touch your life like never before Enjoy and share

The Search for Shalom Will Dickerson,2025-09-01 Many analysts have noted that this is an age of high anxiety Nowadays most bookstores have shelves of books documenting people s anxious condition and offering a variety of self help cures The Search for Shalom is not a self help book Rather it argues that self guided efforts to treat this anxious condition will only make it worse The search for peace must lead elsewhere Many people have been scammed by Satan the prince of scammers As a result they don t give much attention to the one who actually offers them shalom true peace Instead they continue to be controlled by their fears and anxieties People spend their lives serving various idols the most popular of which is Mammon They nurture their grudges refuse to forgive and live in the rubble of broken relationships Some of those who consider themselves Christians instead of serving as ministers of reconciliation enlist as soldiers in the culture wars and end up fighting the wrong battles with the wrong weapons Many people therefore live in a state of war No one should be surprised therefore at the sharp rise in the use of antidepressants and antianxiety medications So where can people find peace
