The Big Bus:

The B List David Sterritt, John C. Anderson, 2008-10-20 What kind of collection could possibly find common ground among *The Son of Kong*, *Platoon* and *Pink Flamingos*? What kind of fevered minds could conceive of such a list? What are the unheard of qualities that tie them all together? The answers: This book. The National Society of Film Critics. And the far reaching enticements of the B movie itself. Once the B movie was the Hollywood stepchild, the underbelly of the double feature. Today it is a more inclusive category embracing films that fall outside the mainstream by dint of their budgets, their visions, their grit and occasionally sometimes essentially their lack of what the culture cops call good taste. The films in *The B List* are offbeat, unpredictable and decidedly idiosyncratic. And that's why we love them. *The Golden Age of Disaster Cinema* Nik Havert, 2019-05-10 From the 1950s through the 1970s disaster movies were a wildly popular genre. Audiences thrilled at the spectacle of these films, many of which were considered glamorous for their time. Derided by critics, they became box office hits and cult classics, inspiring filmmakers around the globe. Some of them launched the careers of producers, directors and actors who would go on to create some of Hollywood's biggest blockbusters. With more than 40 interviews with actors, actresses, producers, stuntmen, special effects artists and others, this book covers the Golden Age of sinking ships, burning buildings, massive earthquakes, viral pandemics and outbreaks of animal madness. **Step Up To Sales Leader** Amanda Downs, 2026-04-20 The ultimate sales leader playbook. Young World Frederick Rycroft, 2012-09-25 Book Two of *Young World* Friends till the end concludes the story of three young teenage boys as they continue their friendship with more humorous and heartfelt events as they make their way toward their high school graduation.
