The Blue China:

The Blue-china Book Ada Walker Camehl, 1916 **XXXII Ballades in Blue China** Andrew Lang, 1883 The Blue-China Book Ada Walker Camehl, 2015-07-12 Excerpt from *The Blue China Book* Early American Scenes and History Pictured in the Pottery of the Time With a Supplementary Chapter Describing the Celebrated Collection of Presidential China in the White House at Washington D C And a Complete Checking List of Known Examples of Anglo The man who will tell the story of a race a nation or a period according to the clothing dwellings utensils and everyday art of it will be vrow the only true historian of them all and vividly in his pages the age and people shall live again though wars and dynasties and that elaborate comedy called politics be but the edges and binding of the book So let us glorify our hobby Hobbinal my friend Is it not part of the true stuff of history Don t we know that about the doings of eighteenth century English potters rests a nimbus of chronicle as well as of romance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Ballads in Blue China Andrew Lang, 2020-09-28 Thirty years have passed like a watch in the night since the earlier of the two sets of verses here reprinted *Ballades in Blue China* was published At first there were but twenty two *Ballades* ten more were added later They appeared in a little white vellum wrapper with a little blue Chinese singer copied from a porcelain jar and the frontispiece was a little design by an etcher now famous Thirty years ago blue china was a kind of fetish in some circles aesthetic circles of which the balladist was not a member The ballade was an old French form of verse in France revived by Theodore de Banville and restored to an England which had long forgotten the Middle Ages by my friends Mr Austin Dobson and Mr Edmund Gosse They so far as I can trust my memory were the first to reintroduce these pleasant old French nugae while an anonymous author let loose upon the town a whole winged flock of ballades of amazing dexterity This unknown balladist was Mr Henley perhaps he was the first Englishman who ever burst into a double ballade and his translations of two of Villon s ballades into modern thieves slang were marvels of dexterity Mr Swinburne wrote a serious ballade but the form I venture to think is not wholly serious of its nature in modern days and he did not persevere Nor did the taste for these trifles long endure A good ballade is almost as rare as a good sonnet but a middling ballade is almost as easily written as the majority of sonnets Either form readily becomes mechanical cheap and facile I have heard Mr George Meredith improvise a sonnet a Petrarchian sonnet obedient to the rules without pen and paper He spoke and the numbers came he sonneted as easily as a living poet in his Eton days improvised Latin elegiacs and Greek hexameters **Ballades & Rhymes from Ballades in Blue China and Rhymes a la**

Set against the backdrop of the late 19th century, this collection captures the imagination of a world on the brink of modernity, where the fascination with the exotic and the quest for artistic beauty converge. Lang, a master of narrative and rhythm, explores themes of love, loss, and the passage of time, all while paying homage to the delicate artistry of blue and white china.
