## **The Blunderer:**

**The Blunderer** Patricia Highsmith,2001-11-17 The Blunderer first published in 1953 is hailed as Highsmith s finest novel about the rise and fall of a faithful suburban husband who plots his wife s demise in fantasies gruesome and eerily serene

**The Blunderer** Patricia Highsmith,2012-06-04 Highsmith s novels are peerlessly disturbing bad dreams that keep us thrashing for the rest of the night The New Yorker For two years Walter Stackhouse has been a faithful and supportive husband to his wife Clara She is distant and neurotic and Walter finds himself harboring gruesome fantasies about her demise When Clara s dead body turns up at the bottom of a cliff in a manner uncannily resembling the recent death of a woman named Helen Kimmel who was murdered by her husband Walter finds himself under intense scrutiny He commits several blunders that claim his career and his reputation cost him his friends and eventually threaten his life The Blunderer examines the dark obsessions that lie beneath the surface of seemingly ordinary people With unerring psychological insight Patricia Highsmith portrays characters who cross the precarious line separating fantasy from reality
