## **The Orthodox Church In Russia:**

The Religion of Russia George Bernard Hamilton Bishop, 1915      *The Russian Orthodox Church, 1917-1948* Daniela Kalkandjieva, 2014-11-20 This book tells the remarkable story of the decline and revival of the Russian Orthodox Church in the first half of the twentieth century and the astonishing U turn in the attitude of the Soviet Union's leaders towards the church In the years after 1917 the Bolsheviks anti religious policies the loss of the former western territories of the Russian Empire and the Soviet Union's isolation from the rest of the world and the consequent separation of Russian emigrants from the church were disastrous for the church which declined very significantly in the 1920s and 1930s However when Poland was partitioned in 1939 between Nazi Germany and the Soviet Union Stalin allowed the Patriarch of Moscow Sergei jurisdiction over orthodox congregations in the conquered territories and went on later to encourage the church to promote patriotic activities as part of the resistance to the Nazi invasion He agreed a Concordat with the church in 1943 and continued to encourage the church especially its claims to jurisdiction over migr Russian orthodox churches in the immediate postwar period Based on extensive original research the book puts forward a great deal of new information and overturns established thinking on many key points      **Cross and Kremlin** Thomas Bremer, 2013-10-17 Russian political history and Russian church history are tied together very tightly One cannot properly understand the overall history of Russia without considering the role of the Orthodox Church in Russia Cross and Kremlin uniquely surveys both the history and the contemporary situation of the Russian Orthodox Church The first chapter gives a concise chronology from the tenth century through the present day The following chapters highlight several important issues and aspects of Russian Orthodoxy church state relations theology ecclesiastical structure monasticism spirituality the relation of Russian Orthodoxy to the West dissidence as a frequent phenomenon in Russian church history and more      *Russian Society and the Orthodox Church* Zoe Knox, 2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society      **Church and State in Soviet Russia** Tatiana A. Chumachenko, Edward E. Roslof, 2015-02-12 Church state relations during the Soviet period were much more complex and changeable than is generally assumed From the German invasion of the Soviet Union in 1941 until the 21st Party Congress in 1961 the Communist regime's attitude toward the Russian Orthodox Church zigzagged from indifference and opportunism to hostility and repression Drawing from new access to previously closed archives historian Tatiana Chumachenko has documented the

twists and turns and human dramas of church state relations during these decades This rich material provides essential background to the post Soviet Russian government s controversial relationship to the Russian Orthodox Church today

Orthodox Russia in Crisis Isaiah Gruber,2012-05-15 A pivotal period in Russian history the Time of Troubles in the early seventeenth century has taken on new resonance in the country s post Soviet search for new national narratives The historical role of the Orthodox Church has emerged as a key theme in contemporary remembrances of this time but what precisely was that role The first comprehensive study of the Church during the Troubles *Orthodox Russia in Crisis* reconstructs this tumultuous time offering new interpretations of familiar episodes while delving deep into the archives to uncover a much fuller picture of the era Analyzing these sources Isaiah Gruber argues that the business activity of monasteries played a significant role in the origins and course of the Troubles and that frequent changes in power forced Church ideologues to innovate politically for example inventing new justifications for power to be granted to the people and to royal women These new ideas Gruber contends ultimately helped bring about a new age in Russian spiritual life and a crystallization of the national mentality *The Orthodox Church and Civil Society in Russia* Wallace L. Daniel,2006-08-09 In the void left by the fall of Communism in Russia during the late twentieth century can that country establish a true civil society Many scholars have analyzed the political landscape to answer this question but in *The Orthodox Church and Civil Society in Russia* Wallace L Daniel offers a unique perspective within the church are individuals who hold the values and institutional models that can be vital in determining the direction of Russia in the twenty first century Daniel tells the stories of a teacher and controversial parish priest the leader of Russia s most famous women s monastery a newspaper editor and a parish priest at Moscow University to explore thoroughly and with a human voice the transformation from Communist country to a new social order Daniel explores specific religious communities and the way they operate their efforts to rebuild parish life and the individuals who have devoted themselves to such goals This is the level Daniel shows at which the reconstruction of Russia and the revitalization of Russian society is taking place This book is written for general readers interested in the intersection between politics religion and society as well as for scholars Holy Rus' John P. Burgess,2017-02-21 A fascinating vivid and on the ground account of Russian Orthodoxy s resurgence A bold experiment is taking place in Russia After a century of being scarred by militant atheistic communism the Orthodox Church has become Russia s largest and most significant nongovernmental organization As it has returned to life it has pursued a vision of reclaiming Holy Rus that historical yet mythical homeland of the eastern Slavic peoples a foretaste of the perfect justice peace harmony and beauty for which religious believers long and the glimpse of heaven on earth that persuaded Prince Vladimir to accept Orthodox baptism in Crimea in A D 988 Through groundbreaking initiatives in religious education social ministry historical commemoration and parish life the Orthodox Church is seeking to shape a new post communist national identity for Russia In this eye opening and evocative book John Burgess examines Russian Orthodoxy s resurgence from a

grassroots level providing Western readers with an enlightening inside look at the new Russia The Post-Soviet Russian Orthodox Church Katja Richters,2012 In recent years the Russian Orthodox Church has become a more prominent part of post Soviet Russia A number of assumptions exist regarding the Church s relationship with the Russian state that the Church has always been dominated by Russia s secular elites that the clerics have not sufficiently fought this domination and occasionally failed to act in the Church s best interest and that the Church was turned into a Soviet institution during the twentieth century This book challenges these assumptions It demonstrates that church state relations in post communist Russia can be seen in a much more differentiated way and that the church is not subservient very much having its own agenda Yet at the same time it is sharing the state s and Russian society s nationalist vision The book analyses the Russian Orthodox Church s political culture focusing on the Putin and Medvedev eras from 2000 It examines the upper echelons of the Moscow Patriarchate in relation to the governing elite and to Russian public opinion explores the role of the church in the formation of state religious policy and the church s role within the Russian military It discusses how the Moscow Patriarchate is asserting itself in former Soviet republics outside Russia especially in Estonia Ukraine and Belarus It concludes by re-emphasising that although the church often mirrors the Kremlin s political preferences it most definitely acts independently

*A Concise History of the Russian Orthodox Church* Neil Kent,2022-08-08 Orthodox Christianity is one of the world s major religions and the Russian Orthodox Church is by far its largest denomination Few know its history and spiritual richness however Neil Kent s comprehensive new book fills that gap The Russian Orthodox Church s Eastern roots including its dogma canons and practices are explored along with the political and military contexts in which it carried out its mission over the centuries Hemmed in between the Catholic powers of pre Reformation Europe in the West the Mongol steppe empires to the East and the Islamic civilizations to the South Russia and its Church found themselves in a difficult position during the Middle Ages The Russian Orthodox Church s greatest strength was in the spiritual power of its liturgy prayerfulness icons and monastic life But even as the Church consolidated its authority under its own metropolitan and later patriarch it came into conflict with political rulers who sought to undermine it After defeating foreign challenges the Church underwent a painful reformation and schism finally coming under government control The Church survived this Babylonian Captivity and in philosophical and spiritual terms flourished under tsarist rule while still facing rising opposition The fall of the monarchy in 1917 led to the Church s brief rejuvenation but communist rule spelled relentless persecution with little respite at home and a lively migr church carrying Russian traditions abroad In post Soviet times however the Church enjoyed an extraordinary resurrection and benefiting from the spiritual richness and reunion with the Russian Orthodox Church abroad once again became a spiritual pillar of the Russian people and a beacon of hope and Christian values not only in Russia but anywhere it is currently practiced **Orthodox Domes of America** Aleksandr Molodin,2021-02-20 The essential pieces of Russian cultural heritage in the U S A are the Orthodox churches built in various states and are a piece of the

distant Motherland for Russian compatriots Since the end of the 18th century Orthodox churches have also become an essential part of many people in America who follow the Orthodox faith This book has the results of research into the architecture of Russian Orthodox church buildings in the United States of America The most famous examples of Moscow Patriarch architecture Russian Orthodox Church Outside Russia architecture and the Orthodox Church in America architecture were analyzed The text is supported by unique illustrations gathered by the author on a multitude of expeditions

**The Church in Soviet Russia** Matthew Spinka,1980 These edited proceedings provide a thematic review of four important areas of marine biology The theme of the first part of the volume is production at boundary systems and in particular it deals with rates of production and related processes at boundary systems including shelf breaks thermoclines and the fronts between stratified and mixed waters and the contribution of the production of such systems to the overall productivity of a region The second part look sat the dynamics of deep sea life new techniques of and results from direct observation in situ experimentation and sampling especially those concerning rates and processes in the deep sea The third part examines concepts of community organisation in the benthos theoretical and empirical studies that synthesise the structural and functional properties of benthic communities The final section on adaptive relevance of variability in biochemical and physiological processes with particular emphasis on relationships between population genetics and physiological and biochemical ecology This volume provides an international perspective of marine biology it will appeal to marine biologists throughout the world and in particular to those studying marine production deep sea life the ecology of benthic communities and the physiological and biochemical adaptations of marine organisms

**The Orthodox Church in the History of Russia** Dimitry Pospelovsky,1998-01-01 A panoramic view of one of the largest most controversial spiritually profound and deeply suffering of all Christian churches The author begins with the legalization of Christianity by Constantine the Great and the subsequent chapters lead the reader to the calamities of the 20th century under communism The book ends with a brief survey of the post Communist era

**Communist Russia and the Russian Orthodox Church, 1943-1962** William B. Stroyen,1967 The history of Russia from the foundation of the empire to the war with Turkey in 1877-'78, by H. Tyrrell and H.A. Haukeil Henry Tyrrell (teacher of elocution.),1879 The Making of Holy Russia John Strickland (Archpriest),2013 This book is a critical study of the interaction between the Russian Church and society in the late nineteenth and early twentieth century At a time of rising nationalist movements throughout Europe Orthodox patriots advocated for the place of the Church as a unifying force central to the identity and purpose of the burgeoning yet increasingly religiously diverse Russian Empire Whilst other studies exist that draw attention to the voices in the Church typified as liberal in the years leading up to the Revolution this work introduces the reader to a wide range of conservative opinion that equally strove for spiritual renewal and the spread of the Gospel Grounded in original research conducted in the newly accessible libraries and archives of post Soviet Russia this study is intended to reveal the wider relevance of its topic

to an ongoing discussion of the relationship between national or ethnic identities on the one hand and the self understanding of Orthodox Christianity as a universal and transformative Faith on the other Page 4 of cover

**Law and the Christian Tradition in Modern Russia** Paul Valliere,Randall Poole,2021-09-15 This book authored by an international group of scholars focuses on a vibrant central current within the history of Russian legal thought how Christianity and theistic belief generally has inspired the aspiration to the rule of law in Russia informed Russian philosophies of law and shaped legal practices Following a substantial introduction to the phenomenon of Russian legal consciousness the volume presents twelve concise non technical portraits of modern Russian jurists and philosophers of law whose thought was shaped significantly by Orthodox Christian faith or theistic belief Also included are chapters on the role the Orthodox Church has played in the legal culture of Russia and on the contribution of modern Russian scholars to the critical investigation of Orthodox canon law The collection embraces the most creative period of Russian legal thought the century and a half from the later Enlightenment to the Russian emigration following the Bolshevik Revolution This book will merit the attention of anyone interested in the connections between law and religion in modern times

**The Religion of Russia** George B. H. Bishop,2007-03-14 G B H Bishop was an Anglican priest who was killed in action in the First World War His legacy to the ecumenical movement was this study of the Russian Orthodox Church an early attempt to make this body accessible to the western world He includes a history summary of faith practice and hierarchy of the Church as well as his own observations

**The Catholic Church and Soviet Russia, 1917-39** Dennis Dunn,2016-11-18 This book based on extensive research including in the Russian and Vatican archives charts the development of relations between the Catholic Church and the Soviet Union from the Bolshevik Revolution of 1917 to the death of Pope Pius XI in 1939 It provides background information on the animosity between the Orthodox and Catholic churches and moves towards reconciliation between them discusses Soviet initiatives to eradicate religion in the Soviet Union and spread atheist international communism throughout the world and explores the Catholic Church s attempts to survive in the face of persecution within the Soviet Union and extend itself Throughout the book reveals much new detail on the complex interaction between these two opposing bodies and their respective ideologies

Religion in Tsarist and Soviet Russia William Peyton Coates,1930
