Timeless Summer:

Summer of Roses Luanne Rice, 2006-05-30 Few novelists touch our hearts quicken our souls and enrich our lives like Luanne Rice Now she brings full circle one of her most compelling explorations of the heart all the ways it can be broken and the magic that makes it whole again On the windswept coast of Nova Scotia two friends and their young daughters have found refuge in the rugged community of Cape Hawk Lily Malone and nine year old Rose are making a new home with a man who will do whatever it takes to protect them Marisa Taylor and young Jessica are beginning to recapture the music that once filled their world with joy But now a stranger from faraway New England has made his way to Cape Hawk bearing secrets from the past and news of an uncertain future And each woman will face choices that will irrevocably shape all the seasons to come between lives left behind mysteries unsolved and loves that must be reclaimed or abandoned forever Luanne Rice has enticed millions of readers by enveloping them in stories that are wrapped in the hot sultry weather of summer she does it so well USA Today

David McCullough American Presidents E-Book Box Set David McCullough, 2011-05-24 From America's most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough's award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation's founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages

Edwardian Culture Samuel Shaw, Sarah Shaw, Naomi Carle, 2017-11-22 Edwardian Culture Beyond the Garden Party is the first truly interdisciplinary collection of essays dealing with culture in Britain c 1895-1914 Bringing together essays on literature art politics religion architecture marketing and imperial history the study highlights the extent to which the culture and politics of Edwardian period were closely intertwined The book builds upon recent scholarship that seeks to reclaim the term Edwardian from prevalent restrictive usages by venturing beyond the garden party and the political rally to uncover some of the terrain that lies between The essays in the volume which deal with both famous writers such as J M Barrie and Arnold Bennett as well as many lesser known figures draw attention to the nuanced multiplicity of experience and cultural forms that existed during the period and highlight the ways in which a closer examination of Edwardian culture complicates our definitions of Victorian and Modern The book argues that the Edwardian era rather than constituting a coda

to the Victorian period or a languid pause before modernism shook things up possessed a compelling and creative tenor of its own Mornings on Horseback David McCullough, 2007-05-31 The National Book Award winning biography that tells the story of how young Teddy Roosevelt transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the United States told by master historian David McCullough Mornings on Horseback is the brilliant biography of the young Theodore Roosevelt Hailed as a masterpiece John A Gable Newsday it is the winner of the Los Angeles Times 1981 Book Prize for Biography and the National Book Award for Biography Written by David McCullough the author of Truman this is the story of a remarkable little boy seriously handicapped by recurrent and almost fatal asthma attacks and his struggle to manhood an amazing metamorphosis seen in the context of the very uncommon household in which he was raised The father is the first Theodore Roosevelt a figure of unbounded energy enormously attractive and selfless a god in the eyes of his small frail namesake The mother Mittie Bulloch Roosevelt is a Southerner and a celebrated beauty but also considerably more which the book makes clear as never before There are sisters Anna and Corinne brother Elliott who becomes the father of Eleanor Roosevelt and the lovely tragic Alice Lee TR s first love All are brought to life to make a beautifully told story filled with fresh detail The New York Times Book Review A book to be read on many levels it is at once an enthralling story a brilliant social history and a work of important scholarship which does away with several old myths and breaks entirely new ground It is a book about life intensely lived about family love and loyalty about grief and courage about blessed mornings on horseback beneath the wide blue skies of the Badlands **The Forest's Whisper**

Aniqua Dean, 2025-11-16 The Forest's Whisper is a captivating and deeply resonant collection of tales that immerses readers in a world where the delicate balance between land and sea is threatened by a devastating drought silencing the once vibrant Whispering Woods At its heart is Elara a Daughter of the Tide whose connection to the ocean runs as deep as her blue green eyes and who finds herself uniquely positioned to bridge the divide between two suffering realms Her extraordinary journey begins as she arrives at the parched edge of the Whispering Woods drawn by a melancholic melody the silent song of the forest interwoven with the lament of the ocean She carries a precious gift a luminous pearl a beacon of hope from the sea s hidden depths Her quest is to find a way to make the ancient Heartwood Oak the very soul of the forest weep believing its tears will restore the balance Along her path Elara encounters various challenges that test her resolve and deepen her understanding of the interconnectedness of nature She navigates a grove of vengeful vines calms a river that has turned to quicksand and confronts the despair of a village consumed by the encroaching blight Each obstacle demands not force but empathy and a profound listening to the silent cries of the suffering land The book delves into powerful themes of environmental responsibility the healing power of belief and the resilience of nature when nurtured by profound love Elara discovers that the oak s tears are not to be forced but summoned by a deep unwavering intention of healing and restoration By channeling her love and belief into the forest and communicating with its creatures she slowly ignites a silent symphony

of hope The eventual return of the rain is not merely a meteorological event but a spiritual one a testament to the transformative power of a single individual s profound connection to the living world The Forest s Whisper is a compelling odyssey that combines thrilling ecological adventure with a deeply spiritual narrative proving that the greatest magic lies not in grand spells but in the quiet courage to listen to the Earth s whispers and in the unwavering belief in its capacity to heal
