Times Square Red, Times Square Blue Samuel R. Delany, 1999-04 If one street in America can claim to be the most infamous it is surely Forty second Street Once known for its peep shows street corner hustlers and movie houses Forty second Street has been overwhelmed by the quest for safety from safe sex and safe neighborhoods to safe cities and safe relationships Now defined by corporate theme stores and large neon lit cafes Forty second Street has in effect become a family tourist attraction for visitors from Berlin Tokyo Westchester County and the New Jersey suburbs Samuel R Delany sees a disappearance not only of the old Times Square but of the complex social relationships that developed there the points of contact between people of different classes and races in a public space In *Times Square Red Times Square Blue* Delany tackles the question of why public restrooms peep shows and tree filled parks are necessary to a city s physical and psychological landscape *Times Square Red Times Square Blue* paints a portrait of a society dismantling the institutions that promote communication between classes and disguising its fears of cross class contact as family values Book Jacket

Times Square Red, Times Square Blue 20th Anniversary Edition Samuel R. Delany, 2019-04-30 Twentieth anniversary edition of a landmark book that cataloged a vibrant but disappearing neighborhood in New York City In the two decades that preceded the original publication of *Times Square Red Times Square Blue* Forty second Street then the most infamous street in America was being remade into a sanitized tourist haven In the forced disappearance of porn theaters peep shows and street hustlers to make room for a Disney store a children s theater and large neon lit cafes Samuel R Delany saw a disappearance not only of the old Times Square but of the complex social relationships that developed there Samuel R Delany bore witness to the dismantling of the institutions that promoted points of contact between people of different classes and races in a public space and in this hybrid text argues for the necessity of public restrooms and tree filled parks to a city s physical and psychological landscape This twentieth anniversary edition includes a new foreword by Robert Reid Pharr that traces the importance and continued resonances of Samuel R Delany s groundbreaking *Times Square Red Times Square Blue*

Times Square Red, Times Square Blue Samuel R. Delany, 1999-04 As issues of history and memory collide in our society and in the classroom the time is ripe to rethink the place of history in our schools *Knowing Teaching and Learning History* represents a unique effort by an international group of scholars to understand the future of teaching and learning about the past It will challenge the ways in which historians teachers and students think about teaching history The book concerns itself first and foremost with the question How do students develop sophisticated historical understandings and how can teachers best encourage this process Recent developments in psychology education and historiography inform the debates that take place within *Knowing Teaching and Learning History* This four part volume identifies the current issues and problems in history education then works towards a deep and considered understanding of this evolving field The contributors to this volume link theory to practice making crucial connections with those who teach history Published in
