childhood and youth When it was no longer bearable I left home and joined the military 17 years have passed since then Three years ago I returned to Falls Creek Montana at the end of my duty Here on the edge of the Kootenai National Forest I now live on my own small farm along with my animals I train search dogs here for the military as a thank you for funding my veterinary degree I also occasionally help the local sheriff when tourists disappear in the huge forests of the national park However I have hardly anything to do with the people of the town I have never forgiven them for what they did to me and so I live in seclusion All I need are my animals But a search mission should change everything because I rescued two children from the forest who belong to the local biker club Now the crew is in my debt and their president Hawk is making sure I don't forget that there's still something outstanding Only I have nothing a man can help me with At least that's what I always thought Until now Hawk They call me Hawk but to my men I'm just Pres the leader of the Fallen Angel biker club My nephew and my VP's nephew have disappeared into these impenetrable woods together with a friend and after a day night of searching the Sheriff finally brings out his secret weapon Tia A woman like I've never seen in my life Fearless and breathtakingly beautiful she marches into the woods with a trained puma and finally finds the three children even if she is too late for one of them The cries of the mother who has lost everything made us all forget to thank Tia But my crew pays its debt and Tia has done us an invaluable service But is the debt really the only reason I'm on her doorstep day after day I'm 42 years old and considered an untamable wolf So why can't I stop asking myself questions about this grumpy always closed minded woman Why does Tia rule my mind like no one else has been able to for 20 years
