Turtle Lady:

Exit the Turtle Lady Cleland Reid, 2014-06-17 When what is assumed to be a gas explosion destroys a woman's home a witness is drawn into events that lead far beyond the victim's passion for protecting turtles and into a criminal plot that will test lifelong friendships endanger a dam and involve a once famous imprisoned eco terrorist A mysterious van that was once used in a plot to damage the Lincoln Memorial is found disabled atop a dam in rural Idaho bringing to light the burglary twenty five years earlier of the Federal Ordnance Arsenal in Washington State and creating suspicion about the motives of a group of locals caring for their recently injured friend the Turtle Lady Law enforcement initially pursues R A Endicott an unlikely suspect most comfortable tending his pumpkins and his good friend Skipper for their vague involvement with the damaged home but information is gathered that suggests a conspiracy and imminent plot aimed at eliminating Double Falls Reservoir in the name of salmon habitat However when the plan is ultimately exposed that proves not to have been the case at all The target is something no one imagined and the goal far more sinister than anyone suspected **The Turtle Lady**

Patsy R. McCleery, 1988-06-01 The Turtle Lady is the true story of one of nature's heroes She has almost single handedly given an endangered species of sea turtle a broader chance of survival Respected by conservationists and scientists alike the Turtle Lady brings unbounded compassion and tireless energy in her efforts to help one species whose numbers have dwindled dramatically in recent years **The Turtle Lady** Evelyn Sizemore, 2002 A strong woman through the 97 years of her life Ila Fox Loetscher was always on the leading edge Her life took her from being a pioneer aviator through an enchanted marriage and tragic widowhood to becoming a leading environmentalist devoted to protecting sea turtles and making her home in South Padre Island Texas Turtles In My Sandbox Jennifer Keats Curtis, 2006-09-10 When a mother diamondback terrapin lays eggs in Maggie's sandbox Maggie becomes a turtle sitter to help the babies safely hatch and in the process she learns about these unique animals and their struggle for survival A Natural State Stephen Harrigan, 2012-10-22 The personal essay at its best What Edward Abbey did for the desert Southwest and what E B White did for Maine Harrigan has done for Texas Houston Chronicle In this remarkable collection of essays Stephen Harrigan explores with an unflinching depth of feeling the human longing to feel at home in the world of nature In vivid and convincing prose he evokes the landscape of his home territory Texas and his own reactions sometimes droll sometimes haunted to the extraordinary power of place that Texas projects Like our best nature writers he tells us not only what's out there but connects it to our everyday lives A Natural State is recommended reading not just for Texans but for all who would explore their connections to the natural world The Washington Post While luminous is not a word that you would think of in connection with the Lone Star State that's what these pieces are They are filled with poetry wit and delightfully offbeat observations The San Diego Union Tribune Harrigan deftly weaves fact historical perspective and personal experience into a tightly interlaced evocative fabric By the end of the book he brings the vast Texas landscape within grasp of even the most

skeptical reader The Denver Post Harrigan's observations are not those of an academically trained naturalist but rather the fresh outlook of a city bred tourist rejoicing in the exhilaration of discovery Booklist Though several of the essays display a strong ecological bent the author is never shrill He is an accomplished prose stylist who combines accurate research with an unerring eye for detail Highly recommended Science

History natural history human history and personal history and place are the cornerstones of The Eye of the Mammoth Stephen Harrigan's career has taken him from the Alaska Highway to the Chihuahuan Desert from the casinos of Monaco to his ancestors village in the Czech Republic And now in this new edition he movingly recounts in Off Course a quest to learn all he can about his father who died in a plane crash six months before he was born Harrigan's deceptively straightforward voice belies an intense curiosity about things that by his own admission may be unknowable Certainly we are limited in what we can know about the inner life of George Washington the last days of Davy Crockett the motives of a caged tiger or a father we never met but Harrigan's gift a gift that has also made him an award winning novelist is to bring readers closer to such things to make them less remote just as a cave painting in the title essay eerily transmits the living stare of a long extinct mammoth
