The Guitar Pickup Handbook Dave Hunter, 2008 In *The Guitar Pick Ups Handbook* guitarist and author Dave Hunter explores the history of the transducer that captures mechanical vibrations from its beginnings in the early 20th century through to the present day

Television Introductions Vincent Terrace, 2013-11-07 Since the beginning of network television many shows have been preceded by an announcement or theme song that served various purposes In the 1950s and 60s it was common for announcers to declare that a program had been brought to you by a sponsor who paid for the privilege of introducing a show Other programs such as *The Twilight Zone* *Star Trek* and *The Odd Couple* provided a brief encapsulation of the show's subject matter a practice that has continued for recent shows like *Alias* *Battlestar Galactica* *Person of Interest* and the various editions of *Law Order* In *Television Introductions* Narrated TV Program Openings since 1949 Vincent Terrace has assembled openings for more than nine hundred television shows from the past seven decades The only documented history of narrated television program introductions this volume is arranged by type of programming such as comedy drama Western game show soap opera and children's show In addition to quoting the opening material entries provide information about each show's network history and years of broadcast Many entries include descriptions of the show the names of announcers and a list of main cast members as well as a sponsor pitch exactly as spoken Openings for programs with multiple introductions like *The Adventures of Ozzie and Harriet* and *Charlie's Angels* are also included For programs that featured new guest stars every episode such as game shows and variety programs Terrace has selected a representative introduction In addition to the theme song credits found in the main text there are also appendixes of theme songs and their composers and or singers as well as a listing of commercial releases on DVD VHS CD and LP of shows and their soundtracks A comprehensive resource for researchers and pop culture aficionados alike *Television Introductions* provides a fascinating look at this neglected part of TV history

Triumph of a Time Lord Matt Hills, 2010-01-30 Before Saturday March 26th 2005 *Doctor Who* had been off the air as a regular new TV series for more than fifteen years until a production team led by Russell T Davies re imagined the programme so successfully so triumphantly that it's become an instant Christmas tradition a BAFTA winner an international superbrand and a number one rated show It's even been credited with reinventing family TV This is the first full length book to explore the new *Who* phenomenon through to the casting of Matt Smith as the new Doctor It explores *Doctor Who* through contemporary debates in TV Studies about quality TV and how can we define TV series as both cult and mainstream Further the book challenges assumptions in focusing on the importance of breath taking dramatic moments along with narrative structures and in analysing the significance of Murray Gold's music as well as the series visual representations Matt Hills is a lifelong *Who* fan and he also considers the role of fandom in the show's return He investigates too the multi generic identity the monster led format and the time travelling brand of BBC Wales *Doctor Who* In the twenty first century TV is changing but the last of the Time Lords has been more than ready he's been fantastic Bowker's
