Understanding Jesus:

Understanding Jesus Joe Amaral, 2011-09-10 Modern day Christians often bring their own presuppositions and assumptions to the reading of the Bible not realizing how deeply their understanding of Christ's life and teachings is affected by a 21st century worldview In *Understanding Jesus* author Joe Amaral delves deep into Jewish history societal mores and cultural traditions closing the gap created by geographical distance and over two thousand years of history Using a chronological approach to the life of Christ he guides the reader through significant events such as Jesus birth baptism and crucifixion pointing out illuminating details that that the Western mind would normally miss Amaral's premise is that to understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text Topics include the connection between Jesus and John the Baptist the annual Feasts and why they are important to modern Christianity Jewish customs such as foot washing clean and unclean foods paying tribute to political governments and the significance of various miracles In *Understanding Jesus* Amaral draws back the curtain on a way of life that existed during the reign of the Caesars and in doing so reveals truths about the way we live more than two thousand years later half a world away

Understanding Jesus Joe Amaral, 2014-07-02 Amaral's premise is that to understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text from publisher description
