Puppy Training and Dog Training Roland Berger,2022-04-15 Dogs are wonderful companions that can enrich our lives in unique ways The dog is ready to give you all his love In return you must acknowledge and be aware of the responsibility you are taking on for him Most mistakes in dog training do not happen because the owners do not have enough time or because it is so difficult to train a dog but for the simple reason that the necessary basic knowledge is not available This causes misunderstandings between them and the dog that could easily be prevented Others inform themselves but do not take into account that there are differences in the education of a puppy and an adult dog The contents of the book are General knowledge about dog training Different forms of learning Understanding dog language Training accessories Problems in the education Puppy training This book differentiates between handling puppies and adult dogs In addition you will learn about the various methods of training and can choose the right one for you and your dog Also possible problems and how to deal with them are addressed The aim of this book is not to impose a

particular training method on you but to help you find the right way to deal with your dog So always act consciously and inform yourself in advance then nothing will stand in the way of a happy life together We wish you much fun and success
