## Understanding George Garrett:

**Understanding George Garrett** Richard H. W. Dillard, 1988-01-01 [An Introduction to George Garrett](#) George Garrett, 2014 **Double Vision** George Garrett, 2004-07-19 A shotgun marriage of fact and fiction by one of the most highly regarded writers and teachers of our time A writer named George Garrett suffering from double vision as a result of a neurological disorder is asked to review a recent first biography of the late Peter Taylor a renowned writer who has been his long time friend and neighbor in Charlottesville Reflecting on their relationship Garrett conceives of a character not unlike himself a writer in his early 70s ill and suffering from double vision named Frank Toomer He gives Toomer a neighbor a distinguished short story writer named Aubrey Carver As the real George Garrett and Peter Taylor are replaced by two very different and imaginary writers the story becomes a wise and insightful exploration of American literary life the art of biography the comical rivalries among writers and academics notions of success and the knotty relationship of art to life fact to fiction and life to death Double Vision is a witty tour de force and an elegy for a gifted generation of writers **The ART of the MAGIC STRIPEASE** Casey Clabough, 2009-09-30 George Garrett is an American literary hero The Art of the Magic Striptease assesses his entire career and places him where he belongs among the best that ever did it Matthew J Brucoli Emily Brown Jefferies Distinguished Professor Emeritus University of South Carolina A book that will make you want to read everything Garrett has ever written and in the process come to know the essence of contemporary literature Thomas E Douglass East Carolina University The Art of the Magic Striptease marks the first in depth critical assessment of George Garrett in nearly two decades One of the country's most gifted important and undervalued contemporary writers Garrett is the author of award winning novels plays poetry short stories biography and criticism He has been a prolific and significant creative force for six decades regarded as a central figure in southern and American letters and a writer of tremendous intellectual reach and imaginative energy The former poet laureate of Virginia Garrett is also a teacher and editor Casey Clabough's metaphor of the magic striptease borrowed from the title of Garrett's 1973 collection of three novellas allows him to examine the ways in which Garrett sheds skins or layers in his writing becoming and articulating others while maintaining his own identity Considering Garrett's many experiments with form genre and storytelling it proves to be a powerful critical framework by which to examine the remarkable output of a remarkable writer Clabough was given exclusive access to Garrett's private papers and this volume includes the transcript of an interview with the author and the previously unknown unpublished and highly provocative short story No Novel Today **The Collected Poems of George Garrett** George Garrett, 1984 **Going to See the Elephant** George Garrett, 2024-02-27 Going to See the Elephant is a safari into the wilds of the mind of George Garrett and a more interesting place to explore is hard to imagine Whether he or his beleaguered alter ego John Towne is examining the writing life tipping his hat to other writers or fulminating about the sorry state of the world we live in he is well worth a listen both for the sheer pleasure of it and for the wisdom to be found in it R H W Dillard author

of Understanding George Garrett     *Death of the Fox* George Palmer Garrett,1971     **Death of the Fox** George Garrett,2013-12-18 I have read *Death of the Fox* writes O B Hardison Director of The Folger Shakespeare Library in Washington D C and feel that I have probably participated at the inception of a major literary event The novel is a brilliant and unique work I know of nothing quite like it in recent American fiction It is wholly conversant with the fiber texture and grain of Elizabethan and Jacobean England In its sweep it takes us from the arrival of the Tudors in 1485 all the way to October 29 1618 when Raleigh was executed It covers the policy the religious disputes the warfare the rivalries of various political factions the magic of Queen Elizabeth and the crafty folly of James I Essex and Bacon Leicester and Sir Edward Coke Marlow and Ben Jonson and Inigo Jones Incredibly it is all these not only in broad sweep but in an infinitude of jewel like details each meticulously exact but at the same time adding up to a sort of literary mosaic creating an artistic fabric more enchanting more real than a whole portfolio of photographs     *Contemporary Southern Men Fiction Writers* Rosemary M. Canfield Reisman,Suzanne Booker-Canfield,1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994
