Harris,2011-08-30 In this age of skepticism we are often told God doesnt work miracles today Dont you believe it God has not changed and Hes healing more today than yesterday Do you need a miracle Do you have a vision of yourself reaching out praying and seeing someone healed right before your eyes Understanding Gods Divine Healing accurately follows the Bible both in historical and theological treatment and shows that divine healing is for us today

Obedience and Purpose: Understanding God's Plan through Moses Pastor Yves Gerard,2025-03-03 Obedience and Purpose Understanding God s Plan through Moses explores the remarkable life and leadership of Moses revealing timeless lessons about faith obedience and the fulfillment of divine purpose From his encounter with God at the burning bush Exodus 3 1 12 to leading the Israelites out of bondage in Egypt Exodus 14 21 22 Moses journey is a powerful testament to trusting in God s plans Through his unwavering obedience even in moments of doubt Moses demonstrates how surrendering to God s will can uncover a greater purpose and equip believers to overcome life s challenges This work examines pivotal moments from Moses story such as his reliance on God for provision Exodus 16 4 and his role in delivering the Ten Commandments Exodus 20 1 17 These examples inspire readers to embrace their calling cultivate faith and trust in God s perfect plan as reflected in Jeremiah 29 11 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Understanding God's Government Paul W. Syltie,2005-03 Understanding God s Government dares to explore the nature of government at all levels its pyramidal hierarchical structure within civil religious business military and social spheres and then dissect the motivations behind their leaders It is discovered that fear is usually the prime motivator that leaders use to gain and maintain control The Creator s intended form of government for mankind however is a brotherhood based upon lateral relationships of love and concern for one s fellow man The author delves into Biblical and secular sources to elucidate the nature of today s governments elements of Godly government ideal government within the ecclesia forms of government that work and their consequences Additional articles are included by former presidential candidate Harry Browne Herbert W Armstrong James Lloyd Norman Edwards and the author Learn why future government holds so much promise within this war torn unstable world Understanding and Knowing God Roan Rickard,2024-10-16 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually na ve opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant

message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God's Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God's design we are all children of God As children of God we have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written

Knowing the Unknowable God James R. Lucas, 2003 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don't exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible's mysterious paradoxes

Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin Knowing the Unknowable God *Steps to Knowing God* Correna R. benefit to the human life than knowing and developing a relationship with God There is peace and a sense of knowing who you are when you know God This book explains how Gods desire is for his people to get to know him and gives instructions on how to use the tools he has provided Through the inspiration of the Holy Spirit I want to share with you vital tools to use to develop a relationship with God Although these tools are not new they have somehow been overlooked and not emphasized as important as the earlier saints taught We need a prayer life to communicate with God We need to read and study the word of God to know his will for our lives and to really understand who he is We must sacrifice consecrate and separate our lives from things that would contaminate us from reaching him

One Esther Obele,2020-10-19 About the book Throughout history the knowledge of the Person of the God of the Bible has never been as vague as it has become in our day In recent times Christians have been found walking away from God and the faith Sadly the reasons for this singular decision is that they neither understood God nor the system of His Kingdom In other words they became spent practicing dead religion and weary of remaining spiritually unfulfilled after so many years of practice This book is an attempt to solve this problem Every believer ought to know and understand that the God of the Bible is not formless He is real and wants to be known He has neither hidden Himself from man nor shrouded the things of the kingdom in mystery as many believe God isn t too mysterious to be figured out and He is not going to strike dead anyone who attempts to figure Him out He wants you to know Him and understand Him God has often been misrepresented and misunderstood and that is the reason why we have not loved Him more This book **ONE** Understanding the God of the Bible takes you through scriptures and establishes your heart in Whom the Bible says God is The author helps the reader to see that God isn t shrouding Himself in mysticism rather it is His desire to reveal Himself to man in order to deepen man s confidence and trust in Him in a loving relationship As you read and become more conscious of the person nature and character of GOD Almighty may you be saturated with an increasing measure of the manifested presence of God that will cause you to do great faith exploits in Jesus Name

Knowing God Frank Sheed,2012-01-01 Atheists deny we can know God because they deny there is a God to know But even believers who affirm Gods existence sometimes dont know him They dont know much about God because they neglect to think much about God and what God has revealed about himself They accept that there is a God but they dont give much thought to what God is like And even if they know a great deal about God in the sense of being able to state truths about him they dont necessarily know him personally and intimately In **Knowing God** previously titled **God and the Human Mind** the great Catholic writer teacher and publisher Frank Sheed helps readers to know that God exists to think about who and what God is and to know God personally He clears away popular misunderstandings of God often held by otherwise knowledgeable people A masterful lucid writer Sheed is not timid about tackling the most challenging questions the human mind can pose about God yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith Sheed acknowledges the limits of human words and human minds when it comes to God At the same time he carefully explains the meaning of Spirit the role of

theology and revelation including the place of the Bible in the Church and the experience of God in mysticism In the final section Sheed goes into the heart of the mystery of God exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves

Knowing God James Innell Packer,2005-01-01 For more than 30 years J I Packer s classic book *Knowing God* has revealed to well over a million readers the wonder glory and the joy of knowing God It continues to sell in tens of thousands to Christians around the world

Understanding and Knowing God St Petersbell Jigo,2013-09 This book is about the overwhelming influence of God s love that draw men to understand by the superior intelligence of inspired faith the need to escape from soul damning attitudes such as the vanity of basking in the deceitful illumination of human wisdom power and riches We escape via revelation knowledge of God in Jesus Christ the ultimate expression of everything that could possibly be understood and known of God consisting in Loving kindness which entails mercy and grace His Judgment in that when God judged humanity s sins in Christ and acquitted us sinners justice was served fully And any man who appropriates this verdict has escaped the dreadful judgment of the final day and Righteousness which reveals God illogically as the justifier of the ungodly in the sense that righteousness is the gift of God s lifestyle freely imputed to men who dare receive it by faith in Jesus Christ which would in turn trigger a demonstration in the receiver of the free gift the power and immortal glory of God s unending life by the Spirit of grace St PetersBell Jigo walks in a mighty anointing by a gift of unusual faith in the God she fondly describes as Almighty in loving man At the early age of 7 God showed her the Wonder of The rainbow encircled Throne of God thus maturing her tender heart to understand the authority of God s compassion for hurting humanity and has thus driven her to incite men to dare hope and trust in God The one cry of her heart is O LORD let the tears of humanity stop at my appearing She articulates that desire through spreading the Gospel of the grace of Jesus Christ and philanthropy St PetersBell lives in Nigeria with her husband Jerry and their daughter Holy
