The Blessing of the Lord Kenneth Copeland,2012-05-01 THE BLESSING of The LORD is God s original plan for you Contrary to popular belief He doesn t want you sick broke and lonely He wants to make you rich in every area of life your health finances relationships and more In this hard cover book you will learn God s original intent for His people to live in THE BLESSINGGod s plan to *The Blessing of Abraham, the Spirit, and Justification in Galatians* Chee-Chiew Lee,2013-08-12 What has the Spirit to do with the blessing of Abraham and justification This book challenges the common assumption that the Abrahamic blessing and the Spirit are equated in Gal 3 14 and points out how an accurate understanding of the relationship between these two motifs contributes significantly to appreciating Paul s overall argument in Galatians and his theology of justification Even though Paul does not cite Old Testament passages on the promise of the Spirit in Gal 3 1 14 his arguments are nonetheless deeply influenced by the whole prophetic tradition about the Spirit Most current discussions on the present and future aspects of justification have yet to consider the Spirit s role in the latter Given the renewed interest in Pauline justification this book contributes to this important aspect of the Spirit s role in future justification which needs to be developed further in Pauline and New Testament theology

The Priestly Blessing in Inscription and Scripture Jeremy D. Smoak, 2015-11-02 The Priestly Blessing in Inscription and Scripture breaks new ground in the study of the origins and early history of the biblical priestly blessing in Numbers 6:24-26 Jeremy Smoak contends that the specific words used in the blessing's formulations were already widely popular as protective words in the eastern Mediterranean world This argument represents an important departure from earlier studies on the background of the blessing's language in the ancient Near East and it sheds significant new light on the history of its use within early Judaism and Christianity

The Semantics of Blessing and Cursing in Ancient Hebrew James K. Aitken, 2007 Blessings and curses represent complex social and theological phenomena and challenge our linguistic and conceptual understandings of the society in which they are used This volume gathers together the semantic information for the words used in ancient Hebrew including inscriptions Ben Sira and Qumran for the field of blessing and cursing Since semantics must take into account the context in which the words are used Part 1 surveys different approaches to the understanding of blessing and cursing in Israelite religion and society and the anthropological and linguistic approaches taken in interpreting them The relevance of these approaches to a semantic study is noted and a summary of the second part of the volume is given Part 2 is a detailed presentation of the data for each word including discussion of the root morphology translations in the ancient versions position within the semantic field and scholarly literature The aim is to provide as full a treatment as possible for a semantic interpretation of the field The volume has been
