Heraud James Abraham Heraud, 1835 **Descent into Hell** Charles Williams, 2024-01-25 *Descent Into Hell* is a novel written by Charles Williams first published in 1937 Williams is less well known than his fellow Inklings such as C S Lewis and J R R Tolkien Like some of them however he wrote a series of novels which combine elements of fantasy fiction and Christian

symbolism Forgoing the detective fiction style of most of his earlier supernatural novels most of the story's action is spiritual or psychological in nature It fits the theological thriller description sometimes given to his works For this reason Descent was initially rejected by publishers though T S Eliot's publishing house Faber and Faber would eventually pick up the novel as Eliot admired Williams's work and though he did not like Descent Into Hell as well as the earlier novels desired to see it printed

SHORT SUMMARY The action takes place in Battle Hill outside London amidst the townspeople's staging of a new play by Peter Stanhope The hill seems to reside at the crux of time as characters from the past appear and perhaps at a doorway to the beyond as characters are alternately summoned heavenwards or descend into hell Pauline Anstruther the heroine of the novel lives in fear of meeting her own doppelganger which has appeared to her throughout her life But Stanhope in an action central to the author's own theology takes the burden of her fears upon himself Williams called this The Doctrine of Substituted Love and enables Pauline at long last to face her true self Williams drew this idea from the biblical verse Ye shall bear one another's burdens And so Stanhope does take the weight with no surreptitious motive in the most affecting scene in the novel And Pauline liberated is able to accept truth On the other hand Lawrence Wentworth a local historian finding his desire for Adela Hunt to be unrequited falls in love instead with a spirit form of Adela which seems to represent a kind of extreme self love on his part As he isolates himself more and more with this insubstantial figure and dreams of descending a silver rope into a dark pit Wentworth begins the descent into Hell
