Building a Global Learning Organization Patrick Graupp, Gitte Jakobsen, John Vellema, 2014-06-06 Building a Global Learning Organization Using TWI to Succeed with Strategic Workforce Expansion in the LEGO Group describes how a multinational company developed a global structure for learning based on the TWI Training Within Industry program to create and sustain standardized work across multiple language and cultural platforms In this book Shingo Prize winning author Patrick Graupp collaborates with two practitioners who performed the planning and implementation of the LEGO Group s worldwide Learning Organization The book outlines the organizational and planning models used by the LEGO Group to create the internal ability to give and receive tacit skills and knowledge Describing how and why TWI is used as the foundation for success in knowledge transfer across diverse languages and cultures it provides step by step guidance on how to establish a solid organizational foundation for your own Learning Organization Providing expert insight into the work of culture change the book explains how to work with people to create motivation for moving to a new system of learning It details the critical elements that made the implementation at the LEGO Group a success identifies the stumbling blocks they encountered along the way and explains how they were overcome Case studies describe in detail what these efforts looked and felt like in actual application The TWI program has long been recognized for its ability to generate results After reading this book you will gain valuable insight into how your organization whether large or small national or international can integrate this timeless tool into your operating structure and your daily culture

F's Story Yusuf Demir, 2025-02-11 It s a story that has been repeated for thousands of years we neither know where we came from nor where we are going The bewilderment of our precarious situation between these two unknowns is so great that it will last a lifetime However as it turns out most of our lives melt away in the ordinary hustle and bustle of daily life the stress of a bill to be paid the repair of a broken faucet the calculation of how much the rent will be this year thousands of small details like this put a thick sponge on our temporary stay in this world and we either postpone thinking about our main subject or forget it altogether Is this a good thing I don t know for sure However I can definitely say that F is as close to me as an old friend I ve known for years and their experiences seem very familiar I hope life s pleasant side is always with them And as the old saying goes may they never stumble
