Time Of Darkness:

The Sacred Book of the Black Brotherhood Moriel Yamanu,2018-10-02 The Black Brotherhood is a secret society of Sages and Adepts that exists from the dawn of the world and that has been pushing forward many ancient civilizations and cultures like Lemuria and Atlantis Sumeria Ancient China and Egypt Aztecs and Mayans While other teachings spread like the branches of the tree and stray ever further the Teachings of the Black Brotherhood remain hidden as stable and black as the soil itself It preserves the Ancient Wisdom hidden and untainted The Teachings of the Black Brotherhood are always passed on as a tradition by word of mouth from Master to a Disciple from Ancient Times For the first time a big part of the tradition and the teachings of the Black Brotherhood from various Eras were gathered in writing and organized in a unified system the first of its kind The realization of the Book was the last will of my Master and it became my Mission The door has been opened We are already among you Moriel Yamanu *The Journal of the Linnean Society* Linnean Society of London,1897
