

The Turner Thesis

- 1893
 - Frederick Jackson Turner
 - Thesis: western frontier had defined American history, built individualism & democratic values
 - Conclusion: "And now, four centuries from the discovery of America, at the end of a hundred years of life under the Constitution, the frontier has gone, and with its going has closed the first period of American history."
 - Few historians accept his thesis
 - Idea of a closing frontier influenced expansionists like Theodore Roosevelt
 - Overseas expansion was the new frontier
 - Would help renew nations vitality & strength

Turner Thesis

Frederick Jackson Turner

Turner Thesis:

The Turner Thesis: Concerning the Role of the Frontier in American History, 1968 **The Turner Thesis Concerning the Role of the Frontier in American History** George Rogers Taylor, 2020-05-08 THE TURNER THESIS CONCERNING THE ROLE OF THE FRONTIER IN AMERICAN HISTORY is a series of critical essays on both sides of the debates regarding the settling of the western portion of the North American Continent Essays include The Significance of the Frontier in American History Contributions of the West to American Democracy Sections Or Classes Political Institutions and the Frontier The Frontier and American Institutions A Criticism of the Turner Theory The American Frontier Frontier of What Frederick Jackson Turner The Frontier and the 400 Year Boom A Meaning for Turner s Frontier Democracy in the Old Northwest and Frontier Democracy Social Aspects Print ed The Significance of the Frontier in American History Frederick Jackson Turner, 1894 **Rereading Frederick Jackson Turner** Frederick Turner, John Mack Faragher, 1999-02-08 In 1893 a young Frederick Jackson Turner stood before the American Historical Association and delivered his famous frontier thesis To a less than enthusiastic audience he argued that the existence of an area of free land its continuous recession and the advance of American settlement westward explain American development that this frontier accounted for American democracy and character and that the frontier had closed forever with uncertain consequences for the American future Despite the indifference of Turner s first audience his essay would soon prove to be the single most influential piece of writing on American history with extraordinary impact both in intellectual circles and in popular literature Within a few years his views had become the dominant interpretation of the American past A collection of his essays won the Pulitzer Prize and for almost half a century Turner s thesis was the most familiar model taught in schools extolled by politicians and screened in fictional form at local movie theaters each Saturday afternoon Now a hundred years after Turner s famous address award winning biographer John Mack Faragher collects and introduces the pioneer historian s ten most significant essays Remarkable for their truly modern sense that a debate about the past is simultaneously a debate about the present these essays remain stimulating reading both as a road map to the early twentieth century American mind and as a model of committed scholarship Faragher introduces us to Turner s work with a look at his role as a public intellectual and his effect on Americans understanding of their national character In the afterword Faragher turns to the recent heated debate over Turner s legacy Western history has reemerged in the news as historians argue over Turner s place in our current mind set In a world of dizzying intellectual change it may come as something of a surprise that historians have taken so long to overturn the interpretation of a century old conference paper But while some claim that Turner s vision of the American West as a great egalitarian land of opportunity was long ago dismissed others in the words of historian Donald Worster maintain that Turner still presides over western history like a Holy Ghost Against this backdrop Faragher looks at what the concept of the West means to us today and provides a reader s guide to the provocative new literature of the

American frontier Rereading these essays in the fresh light of Faragher's analysis brings new appreciation for the richness of Turner's work and an understanding of contemporary historians' admiration for Turner's commitment to the study of what it has meant to be American

The Frontier in American History Frederick Jackson Turner, 1920 [An Analysis of Frederick Jackson Turner's The Significance of the Frontier in American History](#) Joanna Dee Das, Joseph Tendler, 2017-07-05

Frederick Jackson Turner's 1893 essay on the history of the United States remains one of the most famous and influential works in the American canon That is a testament to Turner's powers of creative synthesis in a few short pages he succeeded in redefining the way in which whole generations of Americans understood the manner in which their country was shaped and their own character moulded by the frontier experience It is largely thanks to Turner's influence that the idea of America as the home of a sturdily independent people one prepared ultimately to obtain justice for themselves if they could not find it elsewhere was born The impact of these ideas can still be felt today in many Americans' suspicion of big government in their attachment to guns even in Star Trek's vision of space as the final frontier Turner's thesis may now be criticised as limited in its exclusion of women and over stated in its focus on the western frontier That it redefined an issue in a highly impactful way and that it did so exceptionally eloquently cannot be doubted

The Turner Thesis Concerning the Role of the Frontier in American History George Rogers Taylor, 2012-07-01 Contributing Authors Include Frederick Jackson Turner Benjamin F Wright Jr Louis M Hacker And Many Others

The Turner Thesis J. F. Turner, 1967 *The Turner Thesis* George Rogers Taylor, 1949 *Shaping the American Character: The Significance of the Frontier in American History* Frederick Jackson Turner, 2012-01-10 More than a hundred years after it was first articulated Frederick Jackson Turner's frontier thesis remains one of the key interpretations of American history Turner argued that the European heritage of Americans was less important in understanding the country they had made than their own experience in settling a continent It was the circumstances of life on the frontier in fact a succession of frontiers that moved inexorably westward that were a determining influence on American character and institutions Turner read this paper propounding his thesis at the meeting of the American Historical Association in Chicago July 12 1893 as part of the World's Columbian Exposition It was timely he suggested because the Census of 1890 had announced the closing of the frontier in the United States and thus the end of an important stage of American development

The Frontier in American History (Annotated) Frederick Jackson Turner, 2020-01-30 Differentiated book It has a historical context with research of the time The Frontier thesis or Turner thesis is the argument advanced by historian Frederick Jackson Turner in 1893 that American democracy was formed by the American frontier He stressed the process the moving frontier line and the impact it had on pioneers going through the process He also stressed results especially that American democracy was the primary result along with egalitarianism a lack of interest in high culture and violence American democracy was born of no theorist's dream it was not carried in the Susan Constant to Virginia nor in the Mayflower to Plymouth It came out of the American forest and it gained new strength each

time it touched a new frontier said Turner In the thesis the American frontier established liberty by releasing Americans from European mindsets and eroding old dysfunctional customs The frontier had no need for standing armies established churches aristocrats or nobles There was no landed gentry who controlled most of the land and charged heavy rents and fees Frontier land was practically free for the taking Turner first announced his thesis in a paper entitled *The Significance of the Frontier in American History* delivered to the American Historical Association in 1893 in Chicago He won wide acclaim among historians and intellectuals Turner elaborated on the theme in his advanced history lectures and in a series of essays published over the next 25 years published along with his initial paper as *The Frontier in American History* *The Turner Thesis* George Rogers Taylor,1965 *The Frontier in American History* Frederick Jackson Turner,2012-04-10 This 1893 survey ranks among the most important books about the impact of frontier life on U S society It examines the frontier s role in promoting self reliance independence democracy immigration and westward expansion **The Turner Thesis Concerning the Role of the Frontier in American History** George Rogers Taylor,1956 **Truth and History** Murray G. Murphey,2008-12-01 Setting aside barren issues such as the scientific status of history Murray G Murphey develops an empirical approach to historical study that can yield theories interpretations that are testable and confirmable He examines the evidence on which historical theories are based the types of explanations used and particularly the way historical theories are tested The book treats not only the actual process of historical research but also the philosophical problems involved in historical work The treatment of causation is new as is the discussion of epistemology In his discussions Murphey covers a wide range of sources and examples including Frederick Jackson Turner the Gospels perspectives on the causes of the Great Depression the Vinland Map witchcraft and material culture The book is addressed to all who do history or write about it and it will be a useful text for those who teach courses in historiography **The Frontier Thesis: Valid Interpretation of American History?** Ray Allen Billington,1966 Guide for further reading pages 119 122 **The History of the Criticisms of the Turner Thesis** Minnie Edith Cureton,1949 **Beyond the Stars: Themes and ideologies in American popular film** Paul Loukides,Linda K. Fuller,1990 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR **Term Paper Resource Guide to Nineteenth-Century U.S. History** Kathleen W. Craver,2008-06-30 Major help for those inevitable American History term paper projects has arrived to enrich and stimulate students in challenging and enjoyable ways Students from high school age to undergraduate will be able to get a jumpstart on assignments with the hundreds of term paper projects and research information offered here in an easy to use format Users can quickly choose from the 100 important events of the nineteenth century carefully selected to be appealing to students and delve right in Each event entry begins with a brief summary to pique interest and then offers original and thought

provoking term paper ideas in both standard and alternative formats that incorporate the latest in electronic media such as iPod and iMovie The best in primary and secondary sources for further research are then annotated followed by vetted stable Web site suggestions and multimedia resources for further viewing and listening Librarians and faculty will want to use this as well Students dread term papers but with this book the research experience is transformed and elevated Term Paper Resource Guide to Nineteenth Century U S History is a superb source to motivate and educate students who have a wide range of interests and talents The provided topics on events people inventions cultural contributions wars and technological advances reflect the country s nineteenth century character and experience Some examples of the topics are Barbary Pirate Wars the Thomas Jefferson and Sally Hemings liaison Tecumseh and the Prophet the Santa Fe Trail Immigration in the 1840s the Seneca Falls Convention the Purchase of Alaska Boss Tweed s Ring Wyatt Earp and the Gunfight at O K Corral United States v Wong Kim Ark and Scott Joplin and Ragtime Music
