**Under the Double Eagle** Joseph Franz Wagner,1988      **Governing Islam in Austria and Germany** Farid Hafez,2026-03-20 In this book Farid Hafez reveals how Europe s colonial past still shapes its present day relationship with Muslim communities and Islam By examining how the Austro Hungarian and German empires governed the Muslim populations under colonization **Governing Islam in Austria and Germany** speaks to Nazi era and modern Muslim state administration and religious education in Austria and Germany Using decolonial theory the book makes the compelling and timely argument that these strategies were less about religion and more about racialized control      **Play Me Something Quick and Devilish** Howard Wight Marshall,2013-01-01 **Play Me Something Quick and Devilish** explores the heritage of traditional fiddle music in Missouri Howard Wight Marshall considers the place of homemade music in people s lives across social and ethnic communities from the late 1700s to the World War I years and into the early 1920s This exceptionally important and complex period provided the foundations in history and settlement for the evolution of today s old time fiddling Beginning with the French villages on the Mississippi River Marshall leads us chronologically through the settlement of the

state and how these communities established our cultural heritage Other core populations include the Old Stock Americans primarily Scotch Irish from Kentucky Tennessee North Carolina and Virginia African Americans German speaking immigrants people with American Indian ancestry focusing on Cherokee families dating from the Trail of Tears in the 1830s and Irish railroad workers in the post Civil War period These are the primary communities whose fiddle and dance traditions came together on the Missouri frontier to cultivate the bounty of old time fiddling enjoyed today Marshall also investigates themes in the continuing evolution of fiddle traditions These themes include the use of the violin in Westward migration in the Civil War years and in the railroad boom that changed history Of course musical tastes shift over time and the rise of music literacy in the late Victorian period as evidenced by the brass band movement and immigrant music teachers in small towns affected fiddling The contributions of music publishing as well as the surprising importance of ragtime and early jazz also had profound effects Much of the old time fiddlers repertory arises not from the inherited reels jigs and hornpipes from the British Isles nor from the waltzes schottisches and polkas from the Continent but from the prolific pens of Tin Pan Alley Marshall also examines regional styles in Missouri fiddling and comments on the future of this time honored and changing tradition Documentary in nature this social history draws on various academic disciplines and oral histories recorded in Marshall s forty some years of research and field experience Historians music aficionados and lay people interested in Missouri folk heritage as well as fiddlers of course will find *Play Me Something Quick and Devilish* an entertaining and enlightening read With 39 tunes the enclosed Voyager Records companion CD includes a historic sampler of Missouri fiddlers and styles from 1955 to 2012 A media kit is available here [press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx](http://press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx) [Under the Double Eagle](#) ,2017

### **Religious Separation and Political Intolerance in Bosnia-Herzegovina**

Mitja Velikonja,2003 Mitja Velikonja has written a comprehensive survey that examines how religion has interacted with other aspects of Bosnia Herzegovina s history Velikonja sees the former Ottoman borderland as a distinct cultural and religious entity where three major faiths Islam Catholicism and Orthodoxy managed to coexist in relative peace It is only during the past century that competing nationalisms have led to persecution ethnic cleansing and mass murder Emphasizing the importance of religion to nationalism as a symbol of collective identity that strengthens national identity Velikonja notes that religious groups have a tendency to become isolated from one another He believes Bosnia Herzegovina was unique in its sarlikost or diversity because while religion defined ethnic communities there and kept them separate it did not create a culture of intolerance Rather than suppressing one another the region s ethno religious groups learned to cooperate and mediate their differences useful behavior in an area that served as buffer between East and West for most of its history Velikonja believes that Bosnians went beyond tolerance to embrace synthetic eclectic religious norms with each religious group often borrowing customs and rituals from its rivals Rather than the extreme orthodoxy evident elsewhere in Europe Bosnia became the home of heterodoxy Sadly nationalism changed all that and the area became the scene of systematic

persecution forced conversion and mass slaughter Velikonja considers the misfortunes suffered by the Bosnians during the 1990s as largely the result of actions by their neighbors and local militants and inaction by the international community But he also sees the tragedy that unfolded as the result of the exploitation of ethno religious differences and myths by Serbian chauvinists and Croatian nationalists Despite the tragedy that overwhelmed Bosnia Herzegovina The Etude ,1907 Includes music **Between the Double Eagle and the Crescent** Zdenko Zlatar,1992 This work presents a new aspect of the emergence of the Eastern Question the displacement of the Ottoman Empire from Southeastern Europe seen from the perspective of the small but strategically important city state of Dubrovnik placed precariously between the Habsburg and Turkish empires Between the Double Eagle and the Crescent offers an excellent example of the ability of small states in the Balkans to engage and use larger empires to preserve their independence and freedom to manoeuvre which set a precedent for the patron client relationships between the great powers of Europe and the Balkan states in the nineteenth and twentieth centuries **The Gramophone** ,1928 *A Practical Guide to The Ideal Home Music Library* Albert Ernest Wier,1913 **Under the double eagle** Joseph Franz Wagner,Ellis Brooks,1988 *Catalog of "Connorized" Music Rolls for 65 Note Player-pianos* John Church Company,1911 *The Family Music Book* ,1914 **ASCAP Index of Performed Compositions** American Society of Composers, Authors and Publishers,1963 **Love is a beautiful thing** American Society of Composers, Authors and Publishers,1952 Catalog of Music Rolls for the Apollo Piano Melville Clark Piano Co., Chicago,1905 *Victor Records* Victor Talking Machine Company,1913
