Valentin Serov:

Valentin Serov Valentin Serov, Dmitri V. Sarabianov, 2012-01-17 Among the young peredvizhniki who joined the World of Art group the most brilliant portraitist was Valentin Serov Like many of his contemporaries he delighted in painting out of doors and some of his most appealing portraits such as *Girl with Peaches* *Girl in Sunlight* and *In Summer* owe their naturalness to their setting or to the interplay of sunlight and shadows Indeed Serov regarded them as studies rather than portraits giving them descriptive titles that omitted the sitter's name The subject of *Girl with Peaches* painted when Serov was only twenty two was in fact Mamontov's daughter Vera The model for *In Summer* was Serov's wife When only six years old Serov began to display signs of artistic talent At nine years old Repin acted as his teacher and mentor giving him lessons in his studio in Paris then let Serov work with him in Moscow almost like an apprentice Eventually Repin sent him to study with Pavel Chistiakov the teacher of many of the World of Art painters including Nesterov and Vrubel Chistiakov was to become a close friend Because Serov's career spanned such a long period his style and subject matter vary considerably ranging from voluptuous society portraits the later ones notable for their grand style and sumptuous dresses to sensitive studies of children Utterly different from any of these is the famous nude study of the dancer Ida Rubinstein in tempera and charcoal on canvas which he painted towards the end of his life Although Serov's early style has much in common with the French Impressionists he did not become acquainted with their work until after he had painted pictures such as *Girl with Peaches*

Valentin Serov: Selected Paintings Venelin Kaloyanov, 2017-05 Valentin Alexandrovich Serov 1865-1911 was a Russian painter and one of the premier portrait artists of his era Serov's early creativity was sparked by the realistic art of Repin and strict pedagogical system of Chistyakov Further influences on Serov were the old master paintings he viewed in the museums of Russia and Western Europe friendships with Mikhail Vrubel and later Konstantin Korovin and the creative atmosphere of the Abramtsevo Colony to which he was closely connected The greatest works of Serov's early period were portraits *The Girl with Peaches* 1887 and *The Girl Covered by the Sun* 1888 In these paintings Serov concentrated on spontaneity of perception of the model and nature In the development of light and color the complex harmony of reflections the sense of atmospheric saturation and the fresh picturesque perception of the world there appeared the features of early Russian impressionism From 1890 on the portrait became the basic genre in Serov's art It was in this field that his early style would become apparent the paintings notable for the psychologically pointed characteristics of his subjects Serov's favorite models were actors artists and writers Konstantin Korovin 1891 Isaac Levitan 1893 Nikolai Leskov 1894 Nikolai Rimsky Korsakov 1898 Initially abstaining from the polychromatic brightly colored painting style of the 1880s Serov often preferred a dominant scale of black grey or brown tones Impressionistic features appeared sometimes in composite construction of a portrait or to capture a sense of spontaneous movement As in the work of his contemporaries John Singer Sargent and Anders Zorn the impressionism is not doctrinaire but derives as much from the study of Hals and Velazquez as from modern

theory Receiving wide popularity in 1894 Serov joined with the Peredvizhniki The Itinerants and took on important commissions among them portraits of grand duke Pavel Alexandrovich 1897 S M Botkin 1899 and F F Yusupova 1903 as well as Princess Olga Orlova In these truthful compositionally skillful and picturesque executions in the grand manner Serov consistently used linear rhythmic drawing coupled with decorative color combinations At the same time Serov developed a contrasting direction he frequently produced intimate heartfelt chamber portraits mainly of children and women In portraits of children Serov aspired to capture pose and gesture to reveal and emphasize spontaneity of internal movement sincere cleanliness and clearness of attitude of the child Children 1899 Mika Morozov 1901

Valentin Serov Dmitriï Vladimirovich Sarab'iĭaĭnov,2018-01-17 The Moscow artists who began to move towards Impressionism in the 1880s admired the works of the young Serov particularly his pastoral landscapes that so clearly revealed the lyricism of modest events in daily life Benefiting from the instruction of his teachers Repin and Tchistiakov he became the finest Russian portrait artist of his generation His skill is evident in some of his most beautiful paintings Girl with Peaches and Ulysses and Nausicaa Serov s creative work and experience paved the way for Russian painting to play a more important role in pictorial art in the 20th century

Valentin Serov Elizabeth Kridl Valkenier,2001 At the age of 23 in 1888 Valentin Serov burst onto the Moscow art scene with his portrait Girl with Peaches Painted in the Impressionist manner this debut work heralded the change from 19th century realism to 20th century modernism in Russia He quickly became the pre eminent portraitist of Russia s Silver Age

Russian Impressionists and Post-Impressionists Mikhail Guerman,2022-07-31 The 1860s were marked by a strong realistic movement in Russian painting Artists became interested in depicting the lives and customs of their fellow countrymen This new art form was mostly the work of the Itinerants group who wanted to take art to the people and paint the outdoors Mikhail Guerman traces the converging lines of Russian and French art in the immensely fertile period of the late 19th and early 20th century *Serov: 131 Paintings and Drawings* Maria Tsaneva,2015-02-02 Valentin Serov was outstanding Russian painter and one of the leading portrait artists of his era His early inspiration was sparked by the realistic art of Repin and Chistyakov Further influences on Serov were the old master paintings he viewed in the museums of Russia and Western Europe friendships with Mikhail Vrubel and later Konstantin Korovin The greatest works of Serov s early period were *The Girl with Peaches* and *The Girl Covered by the Sun* In these paintings Serov concentrated on spontaneity of perception of the model and nature In the development of light and color and the fresh picturesque perception of the world there appeared the features of early Russian impressionism Serov s favorite models were actors artists and writers At the same time Serov developed a contrasting direction he frequently produced intimate heartfelt chamber portraits mainly of children and women

The World of Art and Diaghilev's Painters Vsevolod Petrov,2022-07-31 When almost twenty years ago we founded the World of Art we had a burning desire to liberate Russian artistic activity from the tutelage of literature to instil in the society around us a love of the very essence of art and that was the aim we had when we took the field We considered enemies all those who fail to respect art as such those who either fasten wings to an old nag or harness Pegasus to the cart of social ideals or reject the idea of Pegasus altogether For that reason we addressed ourselves to the artistic world with the slogan Talents of all directions unite And that is how in our ranks Vrubel immediately appeared alongside Levitan Bakst alongside Serov Somov alongside Maliavin Alexander Benois

Valentin Serov Valentin Serov,Dmitri V. Sarabianov,2012-01-17 In ihrem Streben nach einem impressionistischeren Kunstverständnis stiegen die Moskauer Künstler des späten 19. Jahrhunderts auf einen jungen Künstler namens Valentin Serow der dieses Ziel unbewusst schon in Angriff genommen hatte und mit seinen Bildern das Lyrische im alltäglichen Leben zum Vorschein brachte Von der Unterweisung zweier großer Künstler und Lehrer Ilja Repin und Pawel Tschistjakow profitierend entwickelte sich Serow zu einem der besten Porträtmaler seiner Zeit Seine außerordentliche Kunstfertigkeit zeigt sich in Bildern wie *Das Mädchen mit den Pfirsichen* oder *Odysseus und Nausikaa* Somit eröffnete Serows kreatives Schaffen der russischen Malerei den Weg in die bildende Kunst des 20. Jahrhunderts
