an abrupt unpredictable explosion power law and mercy Russia and the West center and periphery As William Mills Todd observes in his afterword the contributors to this volume test Lotman's legacy in a new context Their research agendas Iranian and American politics contemporary Russian and Czech politics sexuality and the body are distant from Lotman's own but his concepts and awareness yield invariably illuminating results *Manuscript Albums and their Cultural Contexts* Janine Droese, Janina Karolewski, 2023-12-04 Manuscript albums are oftentimes contradictory objects ephemeral yet monumental coherent yet inviting change Collecting items made by others owners form their albums as representations of their selves their worlds and their traditions The volume's contributors who come from musicology European history English literary studies and Islamic art history explore a set of these challenging manuscripts while addressing questions of manuscript studies through their respective disciplinary lenses The albums under investigation range from Early Modern Stammbücher or alba amicorum to albums assembled jointly by nineteenth century cultural elites and from muraqqa's of the Persianate world to English and North American friendship albums including some kept by women This book is the first contribution to the comparative study of manuscript albums focusing on their materiality and analysing the practices of all those involved in making and using them Moreover the collection introduces this hard to grasp type of written artefact to the field of cross disciplinary manuscript studies and suggests albums as a touchstone for manuscriptological theories and terminologies **Places of Encounter** Aran MacKinnon, Elaine McClarnand MacKinnon, 2012-03-20 Using a place based approach by focusing on specific locations at critical historical moments of historical transformation Places of Encounter provides a unique alternative to world history anthologies or survey texts **Indonesian Palaeography** J.
