The Devils Disaster:

The Devil Never Sleeps Juliette Kayyem, 2022-03-29 An urgent transformative guide to dealing with disasters from one of today's foremost thinkers in crisis management In a world marred by preventable miscalculation Juliette Kayyem's *The Devil Never Sleeps* provides a playbook for making it out alive *The New Yorker* The future may still be unpredictable but nowadays disasters are not We live in a time of constant consistent catastrophe where things more often go wrong than they go right So why do we still fumble when disaster hits Why are we always one step behind In *The Devil Never Sleeps* Juliette Kayyem lays the groundwork for a new approach to dealing with disasters Presenting the basic themes of crisis management Kayyem amends the principles we rely on far too easily Instead she offers us a new framework to anticipate the devil's inevitable return highlighting the leadership deficiencies we need to overcome and the forward thinking we need to harness It's no longer about preventing a disaster from occurring but learning how to use the tools at our disposal to minimize the consequences when it does Filled with personal anecdotes and real life examples from natural disasters like the California wildfires to man made ones like the Boeing 737 MAX crisis *The Devil Never Sleeps* is a guide for governments businesses and individuals alike on how to alter our thinking so that we can develop effective strategies in the face of perpetual catastrophe
