The Way It Was Donald H. Brown, 2011-06-30 This book is a memoir of my boyhood the 14 years between 1934 and 1948 Memory is the way we allow the past to live in the present But the past is not experienced in a vacuum Memories have locations in a particular time and particular places This brief memoir is an attempt to share my boyhood as shaped by the Great Depression of the 1930s and the World War II years of the 1940s In the writing of these pages it became evident to me that indeed the experiences of my childhood have greatly shaped the person I am today It is hoped that this modest memoir may at once be an enjoyable read as well as encourage the reader to recall his or her own childhood days and reflect upon how that time may have shaped their lives
