**The Thread of Life** Douglas W. Hollan, Jane C. Wellenkamp, 1996-09-01 This is an enjoyably readable and generally illuminating look at the more intimate side of Toraja life and relationships It is an innovative approach to ethnography valuable in its attempt to deal with aspects of life that are often passed over in more conventional ethnographic writing Journal of Asian Studies

**The Thread of Life** Richard Wollheim, 1985-01-31 This book is based on the William James Lectures delivered at Harvard University in 1982 It offers a new approach to the philosophical understanding of a person taking as fundamental the process of living as a person and emphasising the continuity and development across time of an individual life

Breaking the Thread of Life Robert Barry, 2017-07-28 Suicide and how civilized people should respond to it is an increasingly controversial topic in modern society In Holland suicide is the third leading cause of death of people between the ages of fifteen and forty In the United States it is the second leading cause of death among older teenagers Laws prohibiting assisted suicide are being directly and boldly confronted by activists in the United States most notably Jack Kevorkian Meanwhile the American Civil Liberties Union has publicly declared suicide a fundamental human right that should be protected under the Constitution The Hemlock Society has introduced referenda in California Washington and Oregon to legalize suicide and assisted suicide The most vocal opposition to these initiatives has come from the Roman Catholic church Breaking the Thread of Life marshalls philosophical moral medical historical and theological arguments in support of the Roman Catholic position against suicide In a comprehensive study of the history of suicide Barry shows that Christian civilization was one of only a few early societies that was able to bring suicide under control He counters claims that Catholicism and the Bible endorse rational suicide Barry also analyzes arguments in support of the rationality of suicide and illuminates their biases inadequacies and dangers Barry presents the rationale for the Roman Catholic church's strong extensive and articulate opposition to efforts to gain legal and social endorsement of suicide and assisted suicide His book represents the most complete study of the classical Roman Catholic view of rational suicide to date and it will be of significant interest to philosophers theologians physicians and lawyers

**The Thread of Flame** Basil King, 1920 Without opening my eyes I guessed that it must be between five and six in the morning I was snuggled into something narrow On moving my knee abruptly it came into contact with an upright board At the same time the end of my bed rose upward so that my feet were higher than my head Then the other end rose and my head was higher than my feet A slow gentle roll threw my knee once more against the board though another slow gentle roll swung me back to my former position Far away there was a rhythmic throbbing like the beating of a pulse I knew I was on shipboard and for the moment it was all

I knew Not quite awake and not quite asleep I waited as one waits in any strange bed in any strange place for the waking mind to reconnect itself with the happenings overnight Sure of this speedy re establishment I dozed again *The Riddle of Life* Annie Besant,1918 **The Wonder of Life** John Arthur Thomson,1914 The History of Life Insurance in the United States to 1870 ,1920 **Dreams of Life** Timothy Thomas Fortune,1905 Brave Bastia; or, The thread of gold, by the author of 'My grandmother's monkeys'. Bastia,1878 **The Theosophist** ,1894 **A Year Out of Life** Mary Ella Waller,1909 **A New Variorum Edition of Shakespeare: The tempest. 1892** William Shakespeare,1892 Excerpt from A New Variorum Edition of Shakespeare The Tempest It is interesting to note the uniformity of the estimate of Caliban s character by the critics While all acknowledge his power and his attractiveness scornings loathings and revilings are nevertheless heaped on him indeed I can recall but one solitary voice really raised in his favour in some respects says coleridge caliban is a noble being It has become one of the commonplaces in crit icisms on the Play to say that Caliban is the contrast to Ariel some times varied by substituting Miranda for Ariel and that as the tricky sprite is the type of the air and of unfettered fancy so is the abhorred slave typical of the earth and of all brutish appetites the detested hag seed is then dismissed blistered all o er with expressions of abhorrence and with denunciations of his vileness which any print of goodness will not take Is there then nothing to be said in favour of Caliban Is there really and truly no print of goodness in him Kindly Nature never wholly deserts her offspring nor does shake speare We may be very sure that he who knew so well that there is always some soul of goodness in things evil would not have abandoned even Caliban without infusing into his nature some charm which might be observingly distilled out Why is it that Caliban s speech is always rhythmical There is no character in the play whose words fall at times into sweeter cadences if the Eolian melodies of the air are sweet the deep bass of the earth is no less rhythmically resonant We who see Caliban only in his prime and a victim of heredity full grown are apt to forget the years of his childhood and of his innocency when Prospero fondled him stroked him and made much of him and Miranda taught him to speak and with the sympathetic instinct of young girlhood interpreted his thoughts and endowed his purposes with words When Caliban says that it was his mistress who showed him the man in the moon with his dog and his bush what a picture is unfolded to us of summer nights on the Enchanted Island where how ever quiet lies the landscape in the broad moonlight every hill and brook and standing lake and grove is peopled with elves and on the shore overlooking the yellow sands where fairies foot it featly sits the young instructress deciphering for the misshapen slave at her feet the features of the full orbed moon With such a teacher in such hours would it be possible for Caliban even were he twice the monster that he is to resist at the most impressible age the subtle in uence of the atmosphere of poetry which breathed in every nook and corner of the Enchanted Island The wonder is not that he ever after speaks in rhythm the wonder would be if he did not About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of
