Twenty Three Days:

Twenty-Three Days at Sea David Banagis,2013-09 My story is of the inherent drama and humor that is common to military service wherever it occurs I am not a hero but I have been honored to know and serve with many heroes My story captures the dynamic that exists whenever men and women work together to accomplish a mission and achieve a preparedness that conditions them to serve in any location and perform any duty in defense of the United States of America My associations range from battle hardened veterans to recruits fresh out of boot camp Each is necessary to the other the veteran s example is vital in the teaching of the recruit and the recruit is blessed to serve and learn under the veteran s leadership The military person works and trains hard and when not doing those things plays hard my story is intended to capture how that happens House Documents United States House of Representatives,1866 *Therapeutic Gazette* ,1920 *Public Accounts, Alberta* Alberta.
