The Two Babylons Alexander Hislop, 2010-11 And upon her forehead was a name written MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH Revelation 17 5 There is this great difference between the works of men and the works of God that the same minute and searching investigation which displays the defects and imperfections of the one brings out also the beauties of the other *The Two Babylons* Alexander Hislop, 1916 Fully Illustrated High Res Images Complete and Unabridged Expanded Seventh Edition This is the first and only seventh edition available in a modern digital edition NOTHING is left out New material not found in the first six editions Available in eBook and paperback edition exclusively from CrossReach Publications See below for A W Pink s glowing review and an intro by Alexander Hislop In his work on *The Two Babylons* Dr Hislop has proven conclusively that all the idolatrous systems of the nations had their origin in what was founded by that mighty Rebel the beginning of whose kingdom was Babel Gen 10 10 A W Pink *The Antichrist* 1923 There is this great difference between the works of men and the works of God that the same minute and searching investigation which displays the defects and imperfections of the one brings out also the beauties of the other If the most finely polished needle on which the art of man has been expended be subjected to a microscope many inequalities much roughness and clumsiness will be seen But if the microscope be brought to bear on the flowers of the field no such result appears Instead of their beauty diminishing new beauties and still more delicate that have escaped the naked eye are forthwith discovered beauties that make us appreciate in a way which otherwise we could have had little conception of the full force of the Lord s saying Consider the lilies of the field how they grow they toil not neither do they spin and yet I say unto you That even Solomon in all his glory was not arrayed like one of these The same law appears also in comparing the Word of God and the most finished productions of men There are spots and blemishes in the most admired productions of human genius But the more the Scriptures are searched the more minutely they are studied the more their perfection appears new beauties are brought into light every day and the discoveries of science the researches of the learned and the labours of infidels all alike conspire to illustrate the wonderful harmony of all the parts and the Divine beauty that clothes the whole If this be the case with Scripture in general it is especially the case with prophetic Scripture As every spoke in the wheel of Providence revolves the prophetic symbols start into still more bold and beautiful relief This is very strikingly the case with the prophetic language that forms the groundwork and corner stone of the present work There never has been any difficulty in the mind of any enlightened Protestant in identifying the woman sitting on seven mountains and having on her forehead the name written Mystery Babylon the Great with the Roman apostacy ***The Two Babylons*** Alexander Hislop, 2006-08-24 The author sets out to prove that most of the practices of the Roman Catholic Church have been brought over from Paganism the original teachings of Jesus have been either cast aside or corrupted He claims and sets forth proof that Rome is the Babylon of the Apocalypse Includes many notes over 60 illustrations and index *The Two Babylons; Or,*
