

The good wife's guide

- *Have dinner ready. Plan ahead, even the night before, to have a delicious meal ready, on time for his return. This is a way of letting him know that you have been thinking about him and are concerned about his needs. Most men are hungry when they come home and the prospect of a good meal (especially his favourite dish) is part of the warm welcome needed.*
- *Prepare yourself. Take 15 minutes to rest so you'll be refreshed when he arrives. Touch up your make-up, put a ribbon in your hair and be fresh-looking. He has just been with a lot of work-weary people.*
- *Be a little gay and a little more interesting for him. His boring day may need a lift and one of your duties is to provide it.*
- *Clear away the clutter. Make one last trip through the main part of the house just before your husband arrives.*
- *Gather up schoolbooks, toys, paper, etc and then run a dustcloth over the tables.*
- *Over the cooler months of the year you should prepare and light a fire for him to unwind by. Your husband will feel he has reached a haven of rest and order, and it will give you a lift too. After all, catering for his comfort will provide you with immense personal satisfaction.*
- *Prepare the children. Take a few minutes to wash the children's hands and faces (if they are small), comb their hair and, if necessary, change their clothes. They are little treasures and he would like to see them playing the part. Minimize all noise. At the time of his arrival, eliminate all noise of the washer, dryer, or vacuum. Try to encourage the children to be quiet.*
- *Be happy to see him.*
- *Greet him with a warm smile and show sincerity in your desire to please him.*
- *Listen to him. You may have a dozen important things to tell him, but the moment of his arrival is not the time. Let him talk first - remember, his topics of conversation are more important than yours.*
- *Make the evening his. Never complain if he comes home late or goes out to dinner, or other places of entertainment without you. Instead, try to understand his world of strain and pressure and his very real need to be at home and relax.*
- *Your goal: Try to make sure your home is a place of peace, order, and tranquility where your husband can renew himself in body and spirit.*
- *Don't greet him with complaints or problems.*
- *Don't complain if he's late home for dinner or even if he stays out all night. Count this as minor compared to what he might have gone through that day.*
- *Make him comfortable. Have him lean back in a comfortable chair or have him lie down in the bedroom. Have a cool or warm drink ready for him.*
- *Arrange his pillow and offer to take off his shoes. Speak in a low, soothing and pleasant voice.*
- *Don't ask him questions about his actions or question his judgment or integrity. Remember, he is the master of the house and as such will always exercise his will with fairness and truthfulness. You have no right to question him.*
- *A good wife always knows her place.*

This article will explore the advantages of Wifes Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Wifes Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Wifes Guide versions, you eliminate the need to spend money on physical copies. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Wifes Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Wifes Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
