

A WISCONSIN BOY IN DIXIE

*The
Selected Letters of
James K. Newton
edited by
Stephen E. Ambrose*

Wisconsin Boy In Dixie

Peter Karsten

Wisconsin Boy In Dixie:

A Wisconsin Boy in Dixie James King Newton,1995 Unlike many of his fellows James Newton was knowledgeable intuitive and literate like many of his fellows he was cast into the role of soldier at only eighteen years of age He was polished enough to write drumhead and firelight letters of fine literary style It did not take long for this farm boy turned private to discover the grand design of the conflict in which he was engaged something which many of the officers leading the armies never did discover Victor Hicken Journal of the Illinois State Historical Society When I wrote to you last I was at Madison with no prospect of leaving very soon but I got away sooner than I expected to So wrote James Newton upon leaving Camp Randall for Vicksburg in 1863 with the Fourteenth Wisconsin Volunteer Infantry Newton who had been a rural schoolteacher before he joined the Union army in 1861 wrote to his parents of his experiences at Shiloh Corinth Vicksburg on the Red River in Missouri at Nashville at Mobile and as a prisoner of war His letters selected and edited by noted historian Stephen E Ambrose reveal Newton as a young man who matured in the war rising in rank from private to lieutenant A Wisconsin Boy in Dixie reveals Newton as a young man who grew to maturity through his Civil War experience rising in rank from private to lieutenant Writing soberly about the less attractive aspects of army life Newton s comments on fraternizing with the Rebs on officers and on discipline are touched with a sense of humor a soldier s best friend he claimed He also became sensitive to the importance of political choices After giving Lincoln the first vote he had ever cast Newton wrote In doing so I felt that I was doing my country as much service as I have ever done on the field of battle

A Wisconsin Boy in Dixie Stephen E. Ambrose,1995-03-01 A Wisconsin Boy in Dixie reveals Newton as a young man who grew to maturity through his Civil War experience rising in rank from private to lieutenant

A Wisconsin Boy in Dixie James King Newton,1961

A Wisconsin Boy in Dixie. The Selected Letters of James K. Newton. Edited by Stephen E. Ambrose. [With Plates, Including a Portrait and a Facsimile.] James King NEWTON,Stephen Edward AMBROSE,1961

The 11th Wisconsin in the Civil War Christopher C. Wehner,2024-12-15 This volume details the Civil War experiences of the 11th Wisconsin Volunteers as they traveled more than 9000 miles in the service of their country The book looks at the attitude prevalent in Wisconsin at the start of the war and discusses the background of the men who comprised the regiment 72 percent of whom were farmers Compiled primarily from the letters and diaries of the men who served in the 11th Wisconsin the work focuses on the firsthand day to day experiences of the common soldier including rations or lack thereof clothing disease and at times the simple act of waiting The 11th Wisconsin lost more men to disease than to battle so their story presents an accurate picture not only of the heroic but also the sometimes humdrum yet perilous existence of the soldier Appendices provide a list of occupations practiced by the men dates of muster into service for the regiment s companies and a copy of a sermon delivered by George Wells after Lee s surrender in 1865

Shiloh Timothy B. Smith,2016-10-07 A critical moment in the Civil War the Battle of Shiloh has been the subject of many books However none has told the story of Shiloh as Timothy

Smith does in this volume the first comprehensive history of the two day battle in April 1862 a battle so fluid and confusing that its true nature has eluded a clear narrative telling until now Unfolding over April 6th and 7th the Battle of Shiloh produced the most sprawling and bloody field of combat since the Napoleonic wars with an outcome that set the Confederacy on the road to defeat Contrary to previous histories Smith tells us the battle was not won or lost on the first day but rather in the decision making of the night that followed and in the next day s fighting Devoting unprecedented attention to the details of that second day his book shows how the Union s triumph was far less assured and much harder to achieve than has been acknowledged Smith also employs a new organization strategy to clarify the action By breaking his analysis of both days fighting into separate phases and sectors he makes it much easier to grasp what was happening in each combat zone why it unfolded as it did and how it related to the broader tactical and operational context of the entire battle The battlefield s diverse and challenging terrain also comes in for new scrutiny Through detailed attention to the terrain s major features most still visible at the Shiloh National Military Park Smith is able to track their specific and considerable influence on the actions and their consequences over those forty eight hours The experience of the soldiers finally finds its place here too as Smith lets us hear as never before the voices of the common man whether combatant or local civilian caught up in a historic battle for their lives their land their honor and their homes We must this day conquer or perish Confederate General Albert Sidney Johnston declared on the morning of April 6 1862 His words proved prophetic and might serve as an epitaph for the larger war as we see fully for the first time in this unparalleled and surely definitive history of the Battle of Shiloh *Corinth 1862* Timothy B. Smith, 2016-10-07 In the spring of 1862 there was no more important place in the western Confederacy perhaps in all the South than the tiny town of Corinth Mississippi Major General Henry W Halleck commander of Union forces in the Western Theater reported to Washington that Richmond and Corinth are now the great strategical points of war and our success at these points should be insured at all hazards In the same vein Confederate General P G T Beauregard declared to Richmond that If defeated at Corinth we lose the Mississippi Valley and probably our cause Those were odd sentiments concerning a town scarcely a decade old By this time however it sat at the junction of the South s two most important rail lines and had become a major strategic locale Despite its significance Corinth has received comparatively little attention from Civil War historians and has been largely overshadowed by events at Shiloh Antietam and Perryville Timothy Smith s panoramic and vividly detailed new look at Corinth corrects that neglect focusing on the nearly year long campaign that opened the way to Vicksburg and presaged the Confederacy s defeat in the West Combining big picture strategic and operational analysis with ground level views Smith covers the spring siege the vicious attacks and counterattacks of the October battle and the subsequent occupation He has drawn extensively on hundreds of eyewitness accounts to capture the sights sounds and smells of battle and highlight the command decisions of Halleck Beauregard Ulysses S Grant Sterling Price William S Rosecrans and Earl Van Dorn This is also the first in depth examination of Corinth following the creation of a new

National Park Service center located at the site Weaving together an immensely compelling tale that places the reader in the midst of war's maelstrom it substantially revises and enlarges our understanding of Corinth and its crucial importance in the Civil War

While God is Marching on Steven E. Woodworth, 2001 The American Civil War not only pitted brother against brother but Christian against Christian This is a study of soldiers' religious beliefs and how they influenced the course of that tragic conflict It shows how Christian teaching and practice shaped the worldview of soldiers on both sides

The Union Soldier in Battle Earl J. Hess, 1997 A reminder that the business of war is killing this study recounts the hellish realms of Civil War combat Drawing upon letters diaries and memoirs of Northern soldiers it reveals not only their deepest fears and shocks but also their sources of inner strengths

The Civil War Soldier Michael Barton, Larry M. Logue, 2002-09 This excellent collection of selections from leading scholars on who the soldiers were how they lived and why they fought is a fine introduction to years of research that seeks to answer that question

Whispering the Secrets of Language: An Mental Journey through **Wisconsin Boy In Dixie**

In a digitally-driven world where screens reign supreme and quick conversation drowns out the subtleties of language, the profound techniques and emotional nuances concealed within words often get unheard. Yet, nestled within the pages of **Wisconsin Boy In Dixie** a captivating fictional treasure pulsing with organic thoughts, lies a fantastic quest waiting to be undertaken. Published by a talented wordsmith, that wonderful opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound influence resonating within the very material of every word. Within the psychological depths of this poignant review, we will embark upon a sincere exploration of the book's primary themes, dissect its interesting writing style, and yield to the powerful resonance it evokes deep within the recesses of readers' hearts.
