Universal Dictionary of the English Language Robert Hunter, 1899 **Alt-Education** Catherine Tebaldi, 2025-07-25 Alt Education looks at the stories the right tells about schools a fight between an evil indoctrinating government and a far right freethinking truth warrior between a frigid cultural Marxist teacher and a loving Christian mother This book explores the link between education gender and far right metapolitics and offers insights into the ways in which it circulates and is normalized Through digital ethnography and fieldwork it explores the production circulation and interpretation of these discourses and the ideologies they express tracing their movement across four groups of women in the US and UK fascists white nationalist Christian nationalists and Republicans Although often understood to be opposed to education the far right is instead opposed to schooling and offers its own practices of alt education Through media alternative schools and home education the far right teaches their ideologies of gender and race knowledge and power as well as transmitting alternative histories sociologies and conspiracies From mom s groups to digital discourses about the evils of public schools social media are key arenas in which women not only teach but are taught far right alternative knowledge Alt education teaches reactionary ideology as a timeless truth normalizing it through discourses of home family and love At the same time alt education borrows and co opts the language of critique normalizing racism sexism and fascism a kind of alternative knowledge while making it exciting as a countercultural critique of woke liberal indoctrination The book concludes with a look at this attempt to speak post truth to power as a way of normalizing and spreading their ideology bringing alt education to a wide audience as their critiques of woke politics spreads across the US UK and into Europe This book is aimed at scholars of the far right and gender as well as scholars and practitioners of education Written in an accessible and engaging tone this book will be of interest to both researchers and advanced undergraduates **The Imperial Dictionary of the English Language** John Ogilvie, 1883

Iconoclasm and the Museum Stacy Boldrick, 2020-09-24 Iconoclasm and the Museum addresses the museum s historic tendency to be silent about destruction through an exploration of institutional attitudes to iconoclasm or image breaking and the concept s place in public display Presenting a selection of focused case studies Boldrick examines long standing desires to deface dismantle obscure or destroy works of art and historic artefacts as well as motivations to protect and display broken objects Considering the effects of iconoclastic practices on artworks and cultural artefacts and how those practices are addressed in institutions the book examines changing attitudes to the intentional destruction of powerful artworks in the past and present It ends with an analysis of creative destruction in contemporary art making and proposes that we are

entering a new phase for museums in which they acknowledge the critical roles destruction and loss play in the lives of objects and in contemporary political life Iconoclasm and the Museum will be important reading for academics and students in fields such as museum and gallery studies archaeology art history arts management curatorial studies cultural studies history heritage and religious studies The book should also be of great interest to museum professionals curators and collections management specialists and artists

Jhana Consciousness Paul Dennison, 2022-12-20 An interdisciplinary deep dive into Buddhist jh na meditation and how it can transform our understanding of self and consciousness States of profound meditative concentration the jh nas are central to the earliest Buddhist teachings For centuries in Southeast Asia oral yog vacara yoga practitioner lineages kept traditional jh na practices alive but in the nineteenth and twentieth centuries reforms in Therav da Buddhism downplayed the importance of jh na in favor of vipassan insight meditation Some began to consider the jh nas to be strictly the domain of monastics unattainable in the context of modern lay life In recent years however there has been a resurgence of interest in the jh nas and as researcher Paul Dennison shows the esoteric and sometimes magical pre reform practices of Southeast Asia hold powerful potential for modern lay practitioners living in a more scientifically minded world Drawing on traditional Buddhist doctrine teachings from lesser known meditation texts such as the Yog vacara s Manual and findings from the first in depth peer reviewed neuroscience study of jh na meditation Dennison unpacks this ancient practice in all its nuance while posing novel questions about perception subjectivity and the nature of enlightenment

Secret Signs of Heroines and Heroes Tsunehiko Sugiki, 2024-12-30 Buddhist tantras in early medieval India and Nepal include many discourses on secret signs chom mudr and equivalents which a male practitioner and his female partner or a male or female practitioner alone use for various purposes such as communicating with each other to perform tantric practices in a ritual assembly ga acakra the circle of the assembly The concept of secret signs is one of the key components of tantric culture also found in aiva tantras This monograph presents a critical edition of the Sanskrit texts of the chapters on secret signs in two Buddhist tantras k r ava Ocean of kas around the early twelfth century and Abhidh nottara Continuation of the Discourse around the tenth century along with their English translation and annotations it analyzes the discourses of secret signs presented in the Buddhist Sa vara and other related traditions to elucidate the significance of this teaching in the k r ava It contains examinations of the discourses of various topics such as the hand and body gestures code language classifications and features of yogin s hand worship hastap j inner channels n the rotation sa kr nti of yogin s and the yoga of death utkr ntiyoga In the k r ava many of these discourses are reorganized to work within the framework of secret signs In aiva and Buddhist tantras secret signs were originally taught as a means gestures and code language for men and women to recognize and communicate with each other In the k r ava secret signs are not only such a means but have a much broader form and function Furthermore this monograph discusses the method of editing old manuscripts of Buddhist tantras that contain many esoteric expressions and grammatical irregularities Its appendices explain

the structure of all chapters of the k r ava which is essential to understanding their contents
