Vision, Values, and Courage Neil Snyder,2010-06-15 Today quality is the battleground on which global competition takes place yet without effective leadership no quality program can succeed This penetrating book exposes the problems that arise when leadership in business fails to do its job and offers powerful inspirational examples of firms that have confronted this problem and prevailed through leadership that aims at producing quality results By highlighting the practices of such noted leaders as Walt Disney and Michael Eisner at Walt Disney Ray Kroc at McDonald s Sam Walton at Wal Mart David Kearns at Xerox and Robert Galvin at Motorola the authors reveal how each of these legendary leaders possessed three crucial leadership characteristics vision strong values and beliefs and the active courage to make their visions a reality These characteristics they show make the difference between superior performance and business as usual With eloquent case studies the authors demonstrate that unusually successful business leaders show the way for their employees by nurturing
