Laney Sammons,Donna Boucher,2017-03-01 This must have resource helps teachers plan organize implement and manage

Guided Math Workshop It provides practical strategies to allow time for teachers to conduct small group lessons and math conferences to target student needs *Getting Involved, Workshops for Parents* Ellen Frede,1984 This guide for leaders of

parent workshops is based on the Getting Involved booklets which suggest ways parents of children in Head Start day care

and other preschool programs can support children s learning through everyday family activities using materials at hand This

workshop leaders guide offers suggestions for helping parents become more involved with their children s learning Chapter 1

gives specific suggestions for planning conducting and evaluating workshops for parents Chapters 2 through 10 give

examples of workshop activities that focus on the following topics children s attitudes toward learning play language reading

writing math science television and problem solving Each of these chapters is divided into sections concerning what parent

workshops achieve often raised questions workshop displays choosing workshop activities and introducing and generating

ideas for activities Because each group of parents has different interests concerns and outlooks each workshop leader will

use the workbook differently to select activities suited to his or her particular group of parents to modify activities or to

create new activities particularly suited to local parent concerns DST [Mathematical Education](#) ,1991 **Leaders in**
