

SURVIVOR'S GUIDE TO TECHNICAL WRITING

Learn how to survive in the world of technical writing!

The *Survivor's Guide to Technical Writing* is a text like no other! Prepare yourself as South-Western launches you into a world where technical writing makes sense. Success in the workplace often depends on your ability to understand the basics of writing and how to communicate technical jargon in a way the reader comprehends.

Designed for professionals and managers who need to know the basics, this text will guide you through the rules and methods of technical writing. Using a conversational style, *Survivor's Guide to Technical Writing* provides the most current topics and issues in technical writing in an easy-to-understand manner.

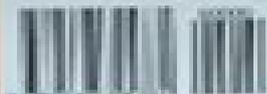

- Integrated exercises and case studies are included for practice of concepts.
- Web resources for technical writers enhance chapter content.
- Hypothetical cases provide examples that illustrate the application of technical writing.
- End-of-chapter activities put all the pieces together.
- Additional resources and activities provided on Data CD.
