to

SHAKESPEARE

A detailed illustration of a man in a dark cap and a patterned tunic sitting at a desk, writing with a quill. The desk is covered with papers and a small oil lamp. and works and includes bibliographies and suggestions for further reading *The Approach to Shakespeare ... Second*
Edition John William Mackail,1933 **Shakespeare's Law** Mark Fortier,2022-05-30 Shakespeare s Law is a critical
overview of law and legal issues within the life career and works of William Shakespeare as well as those that arise from the
endless array of activities that happen today in the name of Shakespeare Mark Fortier argues that Shakespeare s attitudes to
law are complex and not always sanguine that there exists a deep and perhaps ultimate move beyond law very different from
what a lawyer or legal scholar might recognize Fortier looks in detail at the legal issues most prominent across Shakespeare
s work status inheritance fraud property contract tort especially slander evidence crime political authority trials and the
relative value of law and justice He also includes two detailed case studies of *The Merchant of Venice* and *Measure for*
Measure as well as a chapter looking at law in works by Shakespeare s contemporaries The book concludes with a chapter on
the law as it relates to Shakespeare today The book shows that the legal issues in Shakespeare are often relevant to issues
we face now and the exploration of law in Shakespeare is as germane today though in sometimes new ways as in the past
