*Braai* Reuben Riffel, 2015-10-15 The quintessential South African cooking style. Reuben takes you on a roadtrip through his past from hunting and cooking pigeons on the farms of Franschoek as a kid to his travels. In *Braai*, Reuben on Fire, he challenges you to lift your game above the simple tanning of a chop and burning of boerie. Delving into the business of naming, rites, the politics of the braai, the logistics of the braai, the timeline, and the importance of developing a relationship with your butcher, Reuben covers the basics before getting into the meat of the matter. Throughout the book, tips and tactics and wine and beer food pairings are dispersed liberally while braai myths are blown out of the water. The dishes are unmistakably South African in flavour and feel. From new versions of standard rockstar South African ingredients to digging deep into the spectrum of what is possible on a braai.

*Braai aE* Reuben on Fire is a book for any braai fan keen to take their skills to the next level.

*The Adventures of Bunny and Hare* Michael Brackett, 2010-05

A beautiful and intelligent little girl rabbit named Bunny and a rugged but compassionate boy hare named Hare go hiking together after being introduced by a mutual friend. From that point on, their exciting adventures begin in the mountains, on the prairie, and at the ocean. The stories in *The Adventures of Bunny and Hare* describe their different experiences and the joy of sharing those experiences. Bunny and Hare make many animal friends during their journeys. They help other animals with their problems, and other animals help Bunny and Hare. Together, they face problems that arise and resolve them by working together. Each story has a message about the good and bad things in life and evolves through ever more challenging situations to a surprise ending. Mr. Brackett has been writing for over 35 years. He is the author of several technical books and numerous technical articles on data management. In 2008, he wrote *Notes From The Back Of The Clipboard: Anecdotes From Real Life* eloquentbooks.com, describing a variety of anecdotes about experiences in his life and the lessons he learned from those experiences. *The Adventures of Bunny and Hare* is his first children's book. Mr. Brackett enjoys hiking in the back country, cross-country skiing, snowshoeing, rollerblading, and western dancing. He retired three times and is still active in a variety of community activities. He still thrives on the challenges that are just around the next corner. He lives in the log home.
