## **Two Moons:**

**Two Moons** Thomas Mallon,2015-02-03 Astronomy politics and romance join forces in this novel from the writer John Updike has called one of the most interesting American novelists at work It s the spring of 1877 in Washington D C and at the U S Naval Observatory Hugh Allison has conceived a secret ambition to project an image through time and space But his plan takes on urgent life only when the mathematically gifted Cynthia May enters his orbit as one of the observatory s human computers A Civil War widow whose beauty has been shadowed by worry and poverty Cynthia reluctantly falls in love with the younger Hugh who missed the war that has haunted her life But the fate of their love affair and of Hugh s heavenly vision may be out of their hands decided instead by an astrologer and by the actions of a dangerously magnetic politician who wields his power over a Senate convulsed by Reconstruction and a wildly disputed presidential election Masterfully combining historical detail and startling invention Thomas Mallon gives us a galvanizing story of earthly heartbreak and otherworldly triumph [The Legend of the Two Moons](#) ,1992 A tale which explains how there came to be only one moon in the night sky **The Mountain** Gary Ackison,2005-08 Joe takes his family and moves to St Louis to acquire an education for his son Joe encounters trials and tribulations of starting and running a business White Feather followed what he thought was the young trapper back to the mountain cabin but found to his amazement the other trapper was not a man at all but a young beautiful girl Even though The Mountain is fiction it depicts powerful drama love humor suspense justice and understanding of people trying to survive in two worlds **Cheyenne Memories of the Custer Fight** Richard G. Hardorff,1998-01-01 Only six Cheyenne Indians but 32 Sioux died in the fighting that wiped out the command of General George Custer Brave Wolf was at the scene on that bloody Sunday in 1876 Brave Wolf and others of his tribe recall the courage of the doomed men in the Seventh Cavalry and give a firsthand account of the Battle of the Little Bighorn 10 photos 3 maps **Quran & My Qibla** Jamir Ahmed Choudhury,2020-01-31 Quran and My Qibla Kitaaba Wal Hikmata IV represents the authority of infallible and unerring revelations removing all doubts and it speaks for itself It also represents the Verifiable Framework of Natural Science Equal and Opposite Natural Framework of Basic Science and Justifiable Curriculum of Ensured Quality Education several un contradicted facts of sole Equal and Opposite Manifested Nature It also represents our solidified solid human rights and corresponding constitutional duties [Eyewitness to the Fetterman Fight](#) John H. Monnett,2017-03-16 The Fetterman Fight ranks among the most crushing defeats suffered by the U S Army in the nineteenth century West On December 21 1866 during Red Cloud s War 1866 1868 a well organized force of 1 500 to 2 000 Oglala Lakota Northern Cheyenne and Arapaho warriors annihilated a detachment of seventy nine infantry and cavalry soldiers among them Captain William Judd Fetterman and two civilian contractors With no survivors on the U S side the only eyewitness accounts of the battle came from Lakota and Cheyenne participants In [Eyewitness to the Fetterman Fight](#) award winning historian John H Monnett presents these Native views drawn from previously published sources as well as newly discovered interviews with

Oglala and Cheyenne warriors and leaders Supplemented with archaeological evidence these narratives flesh out historical understanding of Red Cloud s War Climate change in the mid nineteenth century made the resource rich Powder River Country in today s Wyoming increasingly important to Plains Indians At the same time the discovery of gold in Montana encouraged prospectors to pass through the Powder River region on their way north and so the U S Army began to construct new forts along the Bozeman Trail In the resulting conflict the Lakotas and Cheyennes defended their hunting ranges and trade routes Traditional histories have laid the blame for Fetterman s 1866 defeat and death on his incompetent leadership and thus implied that the Indian alliance succeeded only because of Fetterman s personal failings Monnett s sources paint another picture Narratives like those of Miniconjou Lakota warrior White Bull suggest that Fetterman s actions were not seen as rash or reprehensible until after the fact Nor did his men flee the field in panic Rather they fought bravely to the end The Indians for their part used their knowledge of the terrain to carefully plan and execute an ambush ensuring them victory Critical to understanding the nuances of Plains Indian strategy and tactics the firsthand narratives in Eyewitness to the Fetterman Fight reveal the true nature of this Native victory against regular army forces
