Alison Plowden

Two Queens In One Isle:

Two Queens in One Isle Alison Plowden,1984 The deadly relationship between Elizabeth I and Mary Queen of Scots

Two Queens in One Isle Alison Plowden,2011-07-31 The relationship between Queen Elizabeth I of England and her cousin Mary Queen of Scots is one of the most complex tempestuous and fascinating in history United in blood but divided by religion the two women were in some ways uniquely close in others poles apart Championed by English Catholics as the rightful Queen of England Mary was nevertheless given protection by her cousin after she was deposed amid outrage at her immoral behaviour Rumours of papist plots involving Mary were rife and Elizabeth was put under extreme pressure to be rid of this dangerous threat to her sovereignty and to the Protestant church in England After much reluctance and procrastination Elizabeth finally signed Mary's death warrant Alison Plowden shows how political fear brought out the worst and yet the best in these women and how history was overshadowed for centuries afterwards

Two Queens in One Isle Alison Plowden,2011-07-31 The relationship between Queen Elizabeth I of England and her cousin Mary Queen of Scots is one of the most complex tempestuous and fascinating in history United in blood but divided by religion the two women were in some ways uniquely close in others poles apart Championed by English Catholics as the rightful Queen of England Mary was nevertheless given protection by her cousin after she was deposed amid outrage at her immoral behaviour Rumours of papist plots involving Mary were rife and Elizabeth was put under extreme pressure to be rid of this dangerous threat to her sovereignty and to the Protestant church in England After much reluctance and procrastination Elizabeth finally signed Mary's death warrant Alison Plowden shows how political fear brought out the worst and yet the best in these women and how history was overshadowed for centuries afterwards

Elizabeth Tudor and Mary Stewart--two Queens in One Isle Alison Plowden,1984 *Women Who Changed the World* Candice Goucher,2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences Learning how women changed the world will change the ways the world looks at the past *Women Who Changed the World Their Lives Challenges and Accomplishments through History* features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman's life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women [Marriage and Violence](#) Frances E.

Dolan,2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward s Private Lives and Barbara Ehrenreich s assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other Boleyn Girl and documents about Anne Boleyn s fatal marriage and her daughter Elizabeth I s much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition

Elizabeth and Mary Jane Dunn,2007-12-18 Superb A perceptive suspenseful account The New York Times Book Review Dunn demythologizes Elizabeth and Mary In humanizing their dynamic and shifting relationship Dunn describes it as fueled by both rivalry and their natural solidarity as women in an overwhelmingly masculine world Boston Herald The political and religious conflicts between Queen Elizabeth I and the doomed Mary Queen of Scots have for centuries captured our imagination and inspired memorable dramas played out on stage screen and in opera But few books have brought to life more vividly the exquisite texture of two women s rivalry spurred on by the ambitions and machinations of the forceful men who surrounded them The drama has terrific resonance even now as women continue to struggle in their bid for executive power Against the backdrop of sixteenth century England Scotland and France Dunn paints portraits of a pair of protagonists whose formidable strengths were placed in relentless opposition Protestant Elizabeth the bastard daughter of Anne Boleyn whose legitimacy had to be vouchsafed by legal means glowed with executive ability and a visionary energy as bright as her red hair Mary the Catholic successor whom England s rivals wished to see on the throne was charming feminine and deeply persuasive That two such women queens in their own right should have been contemporaries and neighbours sets in motion a joint biography of rare spark and page turning power

Life of Mary Queen of Scots Agnes Strickland,1893 **British Bee Journal** ,1912 [The Passing of Arthur](#) Christopher Baswell,William Sharpe,2014-08-13 Originally published in 1988 this volume contains papers from and commissioned after The Passing of Arthur a conference on Medieval and Renaissance Studies in November 1986 No Arthurian story is experienced without some foreknowledge of its end which the text acknowledges through a complex range of methods This collection takes this as

its point of origin suggesting that all such narratives concern the passing of Arthur even indirectly so the chapters not only look at the death of Arthur but the passing on and development of the Arthurian literature The figure of Arthur and the Round Table continues to fascinate contemporary readers This interesting collection presents a wide range of Arthurian studies approaches representing some of the vast scholarship on the genre

Bee-keeper's Magazine ,1875 The Australian Bee Bulletin ,1906 **British Book News** British Council,1984 *British Bee Journal & Bee-keepers Adviser* ,1913 **The British National Bibliography** Arthur James Wells,1979 **This Realm of England, 1399 to 1688** Lacey Baldwin Smith,1996 *Choice* ,1985 **Albion** ,1985 Vols for 1969 1970 consist of the proceedings of the Conference on British Studies Pacific Northwest Section summer 1971 winter 1972 consists of the proceedings of the Conference on British Studies at its Regional and National Meetings spring 1979 winter 1980 includes proceedings of the Conference on British Studies at its Regional and National Meetings spring 1983 includes proceedings of the North America Conference on British Studies History Today ,2004 **The Beekeepers' Gazette ...** ,1911
