A Daily Walk: The Gospels and Acts Mark Whitehead, 2016-12-30 What does it look like spending a year with Jesus writing what He teaches you daily In 2015 He led me on an amazing journey through the New Testament Each morning I would read a chapter of Scripture and write down what the Lord taught me The pages in this book are the result of an incredible adventure at the feet of Jesus

INTEGRITY FIRST Jim P. Vigil, 2025-12-17 In a ministry culture often captivated by charisma strategy and platform Integrity First offers a timely and prophetic call to return to what matters most character Drawing from decades of pastoral experience Jim Vigil challenges leaders to resist the pull of performance driven ministry and instead embrace a leadership model rooted in authenticity humility and spiritual formation Each chapter unpacks a powerful contrast Character over Competency Calling over Charisma Shepherding over Strategy and more offering practical wisdom and biblical reflection for those who feel the tension between leading well and staying true With pastoral warmth and courageous honesty Vigil speaks directly to weary leaders reminding them that success in God's Kingdom isn't measured by metrics but by integrity Whether you're a seasoned pastor emerging leader or burned out servant looking for renewal this book is an invitation to realign your life and leadership with the One who called you Integrity First isn't just a leadership manual it's a soul check a discipleship journey and a blueprint for leading from the inside out

The Revelation Rainbow Charles Walter Doughty, 2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un-informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God's Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion

The People Factor Van Moody, 2014-01-14 The relationships in your life will make the difference between happiness and misery The right relationship will launch you to the heights of achievement the wrong one will tether you to mediocrity Your relationships will be your sources of greatest joy and your venues of greatest pain Van Moody says When people show you who they are pay attention We need to undertake the important task of evaluating our relationships intelligently We need to recognize the people with whom God has called us to walk in mutually beneficial relationships and to identify those who will derail our destinies or hinder His purposes for our
