On *Frasier*...

There is only one casting decision on *Frasier* that I have occasionally questioned. The dog. Grr.

On *Women*...

Nice girls made me really nervous, claustrophobic. But broken women, women in pain, women looking to be fixed—ah, for these women the doctor was in.

On *Life*...

If you lose your demons, you lose your angels, or so I used to think. But that doesn't scare me anymore. My demons are always going to be there. They're along for the ride. I just spend a lot less time hanging out with them than I used to. These days I prefer chatting with my angels.
