The Cross Through The Scriptures:

Holy Bible and Holy Vedas: Light Upon the Waters Vol-2 Dr. Venkat Potana, 2026-01-05 Foreword The meeting of divine revelation and human wonder has produced some of the most luminous works in history Among such works Holy Bible and Holy Vedas Light Upon the Waters Vol 2 stands as a monumental achievement of faith intellect and devotion In this extraordinary volume Dr Venkat Potana has accomplished something both daring and sacred he has drawn the attention of the modern world to the eternal glory of the Word of God illuminating how ancient yearnings for truth expressed through the Vedas find their perfect fulfillment in the revelation of the Holy Bible What makes this book remarkable is not comparison but completion Dr Potana never seeks to merge the message of the Gospel with any other philosophy Rather he reveals with grace and scholarly precision how the longings of early seekers expressed through poetic symbols of light and fire pointed unknowingly toward the coming of Christ the true Light that gives life to every heart The author's deep understanding of both Scripture and Vedic literature allows him to trace divine patterns across cultures without ever diminishing the supremacy of the cross Each chapter reads as both theological reflection and spiritual meditation His prose moves with the rhythm of prayer and the clarity of revelation The reader encounters not only ideas but encounters of light moments in which intellectual rigor meets worshipful awe Through his exposition the voice of the Rig Veda's ancient hymns seems to echo across time until it finds rest in the Gospel of John's opening words In the beginning was the Word Dr Potana's writing carries the soul of a preacher and the discipline of a scholar His years of teaching ministry and cultural engagement shine through every line He writes with rare humility and profound conviction To read this book is to sit at the confluence of two rivers the human search for God and the divine revelation of Christ At that meeting the living water flows and the soul is refreshed For the Christian reader this book strengthens faith in the authority and finality of Scripture For the thinker it opens a horizon of wisdom that bridges ancient thought with eternal truth For the seeker it offers a gentle yet powerful invitation to encounter the Savior whose light fills every age Few works in contemporary Christian scholarship achieve such depth of insight while remaining so filled with worship Dr Potana has given the Church and the world a treasure that speaks across boundaries yet bows completely before the Lordship of Jesus Christ Every believer who loves the Word every student of theology and every heart that hungers for meaning will find in these pages a feast of light This book does not merely inform it transforms It draws the reader closer to the heart of God through the radiance of His eternal Word It is with joy gratitude and reverence that I commend Holy Bible and Holy Vedas Light Upon the Waters Vol 2 May it reach every nation and every soul that longs to understand the beauty of God's revelation And may its message remind us that the light which once shone upon the waters still shines in the world today and that light is Christ Himself Dr Jonathan Eli Matthews Th D Ph D
