The First Christians Enzo Bellini, 1980 The first Christians The Church established The end of the ancient world The formation of Christian Europe The Middle Ages The Church in the age of Humanism Protestant and Catholic Reform The Church in Revolutionary times etc *A History of the First Christians* Alexander J. M. Wedderburn, 2004-01-01 This work provides a survey of the history of the earliest Christian church in the period up to the fall of Jerusalem It concentrates on the figure of Paul judicious and critical use of information in the Book of Acts Judaizing versions of Christianity and the Johannine tradition The approach steers a middle way between an over simplified account which fails to warn students where scholarly opinion is divided and an in depth academic study which attempts to document and discuss every hypothesis Wedderburn focuses on aspects of central importance the changing shape of church life and developing Christianity in relation to the Roman Empire and to Judaism This book seeks to draw together and make more readily accessible many new insights gained from an enormous range of recent scholarly studies in German and English and places them in the context of a more general account Making Sense in (and Of) the First Christian Century Francis Gerald Downing, 2000-08-01 The first Christian century must be approached with careful attention to its cultural and linguistic heterogeneity It should not simply be assumed that this past is a different place they do things differently there Downing treats the ways in which early Christians tried to make things make sense within their cultures noting both the similarities and differences between their ways and contemporary ones and stressing the variety of contexts and influences on first century communication Downing brings his renowned expertise to bear in illuminating the cultural features of early Christian society with a range of fascinating and telling examples *The First Christians* Eduard Lohse, 1983 The World of the First Christians Marc Olson, 2020-07-07 The life and teachings of Jesus changed the world forever but what happened after the events of the Gospels How did Christianity grow from a small group of followers to one of the largest religious movements in human history How did the first Christians survive in an oppressive Roman Empire What did the early church believe and how did they worship The World of the First Christians A Curious Kid's Guide to the Early Church answers these questions and more with colorful illustrations charts graphs maps and other infographics that will keep kids attention for hours and give them new insight and understanding into the early growth of the Christian faith Curious Kids Guides present cool and surprising information about Christian history and beliefs in an entertaining visually engaging way for kids **The First Christians** Marigold Hunt, 2004-03 *Women and Religion in the First Christian Centuries* Deborah F. Sawyer, 1996 Too often the religious traditions of antiquity are studied in isolation without any real consideration of how they interacted What made someone with a free choice become an adherent of one faith rather than another Why might a former pagan choose to become a God fearer and attend synagogue services Why might a Jew become a Christian How did the mysteries of Mithras differ from the worship of the Unconquered Sun or the status of the Virgin Mary from that of Isis and how many gods could an ancient
