The Sumerian Texts:

The Sumerian Texts Charles F. Horne,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Forbidden Secret** Jonathan Gray,2011-05-15 The one thing that isn t a secret is that our world is in a monstrous MESS A murderous mob has seized control of our planet They have chilling plans for you and your family The elite have sworn to suppress the forbidden secret discredit it and keep it from the public They have deceitfully manipulated every aspect of our society mentally conditioning us to doubt ignore or reject the survival strategy offered in *The Forbidden Secret* But a powerful figure is set to smash their agenda Meanwhile a rescue plan is in place and simple steps will guarantee your survival **Studies in Religious Texts**

from Assur John Albert Maynard,1917 **Historical Texts** Arno Poebel,1914 **The Old Testament World** Philip R. Davies,2005-01-01 Written by two leading Old Testament scholars with a wide range of expertise this unique introduction describes the historical social and cultural setting in which the Old Testament was written and a description of the major genres of literature that it contains It seeks therefore to illuminate the literature of the Old Testament by showing how it was shaped by the events social structures and religions and intellectual ideas of the ancient civilizations and cultures in which it was produced Unlike most Introductions it does not build largely on the traditional formats It also reflects the huge changes that our understanding of the Old Testament has undergone in the recent decades Rather than a conventional canonical theological approach the book offers an approach for those interested in the Old Testament as a monumental cultural achievement ideal for students of ancient history and religion in general as well as theology and requires a minimum of prior knowledge or expertise *Historical and Religious Texts from the Temple Library of Nippur* Stephen Langdon,1914

Eerdmans Dictionary of the Bible David Noel Freedman,Allen C. Myers,2000-12-31 The Eerdmans Dictionary of the Bible gathers nearly 5 000 alphabetically ordered articles that thoroughly yet clearly explain all the books persons places and significant terms found in the Bible The Dictionary also explores the background of each biblical book and related writings and discusses cultural natural geographical and literary phenomenae matters that Bible students at all levels may encounter in reading or discussion Nearly 600 first rate Bible authorities have contributed to the Eerdmans Dictionary of the Bible Intended as a tool for practical Bible use this illustrated dictionary reflects recent archaeological discoveries and the breadth of current biblical scholarship including insights from critical analysis of literary historical sociological and other methodological issues The editorial team has also incorporated articles that explore and interpret important focuses of biblical theology text and transmission Near Eastern archaeology extrabiblical writings and pertinent ecclesiastical traditions all of which help make the Eerdmans Dictionary of the Bible the most comprehensive and up to date one volume Bible
