Perturbatory Narration in Film Sabine Schlickers, Vera Toro, 2017-11-07 Perturbatory narration is a heuristic concept applicable both quantitatively and qualitatively to a specific type of complex narratives for which narratology has not yet found an appropriate classification This new term refers to complex narrative strategies that produce intentionally disturbing effects such as surprise confusion doubt or disappointment effects that interrupt or suspend immersion in the aesthetic reception process The initial task however is to indicate what narrative conventions are in fact questioned transgressed or given new life by perturbatory narration The key to our modeling lies in its combination of individual procedures of narrative strategies hitherto regarded as unrelated Their interplay has not yet attracted scholarly attention The essays in this volume present a wide range of contemporary films from Canada the USA Mexico Argentina Spain France and Germany The perturbatory narration concept enables to typify and systematize moments of disruption in fictional texts combining narrative processes of deception paradox and or empuzzlement and to analyse these perturbing narrative strategies in very different filmic texts

The Tracey Fragments, 2008 Teen angst is amped up by a nuanced performance by a pre Juno Ellen Page in *The Tracey Fragments* Look the other day something happened I came to certain realizations says Tracey Berkowitz played with deadpan heartbreak by Page huddled on a late night bus near the beginning of the film I can t tell you what or you ll end up like me on this bus looking for someone The scene signals a rocky ride and the film a portrait of an outcast Canadian teen struggling with bullies clueless parents unrequited love and her place in the world is wrenching and challenging Director Bruce McDonald has taken the fragments of the title literally and so the film is presented in several simultaneous screen shots at a time rarely in its duration is there simply one scene to watch as though all the different facets of Tracey are playing out at once Which of course they are Tracey is hassled at school dismissed as an it for being flat chested and treated as invisible by her parents and even her therapist Only when something dire happens may have been her responsibility does the rest of the world turn its judgmental focus on her Tracey begins a quest to leave her old life behind and try to redeem herself find and honor who she really is in the process And the film somewhat brutally takes the reader along for the ride How do you know what s real and not real when the whole world is inside your head Tracey muses on one of the buses she takes into the night It s as perfect and painful a depiction of adolescence as any film in recent memory

The Tracey Fragments Maureen Medved, 1998-05-01 Naked under a tattered shower curtain fifteen year old Tracey Berkowitz has been sitting in the back of a bus for two days looking for her brother Sonny who thinks he is a dog Tracey s stories begin to twist and intertwine truth with lies absorbing the reader into the games and delusions she uses to escape her despair *The Tracey Fragments* is a raw moving account that immerses the reader into the labyrinth of a troubled adolescent psyche full of twists and turns fear and uncertainty trust and betrayal Maureen Medved adapted her

novel into a film screenplay that was directed by acclaimed filmmaker Bruce McDonald At the Berlin Film Festival in early 2007 the motion picture won the Manfred Salzgeber Prize for an innovative film that broadens the boundaries of cinema
