Uncle Daney's Way

JESSIE HAAS

Uncle Daneys Way

Lindsey Mantoan, Sara Brady

Uncle Daney's Way:

Uncle Daney's Way Jessie Haas, 2014-09-02 Named to the Bluebonnet Award and Mark Twain Award Master Lists Cole isn't happy about his great uncle coming to live with his family until Daney's in danger of losing his beloved horse Cole. Tatro has never met his great uncle Daney. But after he's injured in a logging accident he comes to live with Cole's family on their Vermont farm. Cole isn't sure how he's going to feel about having a stranger around all the time. Then he meets Daney's horse Nip. A big red workhorse with a tousled blond mane and a sleepy face. Nip is the pride of Daney's life. Except Daney no longer has a job. Cole's parents work hard. His dad at a paper mill and his mom sewing doll dresses at a local factory but they aren't sure they have the money to take care of Nip. That's when Daney comes up with the perfect solution. But he'll need Cole's help to carry it out. *Uncle Daney's Way* is a story of grit, determination, and one family's ingenuity in the face of hardship.

Uncle Daney's Way, [Forthcoming Books](#) Rose Army, 1998-06 **Children's Book Review, 1994** Beverly Baer, 1995-04 Provides access to reviews of children's books and periodicals that are indexed by Book Review Index

Bulletin of the Center for Children's Books, 1994-03 [Vying for the Iron Throne](#) Lindsey Mantoan, Sara Brady, 2018-10-17 Game of Thrones has changed the landscape of television during an era hailed as the Golden Age of TV. An adaptation of George R. R. Martin's epic fantasy *A Song of Fire and Ice*, the HBO series has taken on a life of its own with original plotlines that advance past those of Martin's books. The death of protagonist Ned Stark at the end of Season One launched a killing spree in television; major characters now die on popular shows weekly. While many shows kill off characters for pure shock value, death on Game of Thrones produces seismic shifts in power dynamics and resurrected bodies that continue to fight. This collection of new essays explores how power, death, gender, and performance intertwine in the series.

[An Epistemology of Criminological Cinema](#) David Grčki, Rafe McGregor, 2024-04-23 Standing at the intersection of criminology and philosophy, this book demonstrates the ways in which mythic movies and television series can provide an understanding of actual crimes and social harms. Taking three social problems as its subjects: capitalist political economy, structural injustice, and racism, the book explores the ways in which David Fincher's *Fight Club* (1999), HBO's *Game of Thrones* (2011-2019), and Jordan Peele's *Us* (2019) offer solutions by reconceiving justice in terms of personal and collective transformation, utopian thinking, and the relationship between racism and elitism, respectively. In doing so, the authors set out a theory of understanding the world based on cinematic and televisual works of art and conclude with a template that establishes a methodology for future use. *An Epistemology of Criminological Cinema* is authoritative and accessible, ideal reading for undergraduate and postgraduate students, criminologists, philosophers, and film, television, and literary critics with an interest in social justice and social harm. [Book Review Digest](#), 1996 **Book Review Index** Gale Group, Thomson Gale Staff, 1999-09 Book Review Index provides quick access to reviews of books, periodicals, books on tape, and electronic media representing a wide range of popular, academic, and professional interests.
