The Road to Rome H. Ozorio, 2026-03-20 He never held power He commanded no army He changed the world anyway Born a Jewish boy in a Greek city trained by Jerusalem s greatest scholar fired by a zeal that led him to hunt down the early church Saul of Tarsus was on his way to Damascus to arrest believers when the risen Christ stopped him on the road What happened next is one of the most consequential reversals in human history The Road to Rome is the biography of Paul not a commentary on his letters not a theology textbook but the story of a life From the schools of Jerusalem to the wilderness of Arabia from the prayer meetings of Antioch to the lecture halls of Ephesus from a midnight earthquake in Philippi to a shipwreck on the coast of Malta from the courts of Caesar to a road outside Rome where the journey ended and the legacy began Thirteen chapters trace the full arc Tarsus the Greek city Jewish household and Roman citizenship that shaped a man for a calling he could not yet imagine Damascus the blinding light three days of darkness and three years of silence in Arabia where a theology was born Antioch the church that invented the word Christian and the community that commissioned the mission The First Journey Cyprus Galatia a stoning at Lystra and the young man named Timothy Jerusalem Again the council that could have split Christianity and the confrontation with Peter that almost did Macedonia a vision at Troas a cloth merchant s baptism a midnight earthquake and the gospel crossing to Europe for the first time Athens and Corinth the Areopagus sermon eighteen months in the city that needed the gospel most and a word in the night I have many people in this city Ephesus three years that reached an entire province a riot of silversmiths and letters written by lamplight that would reshape theology for two thousand years The Last Journey the collection as theology made visible farewell on the beach at Miletus and the walk into Jerusalem with open eyes Shipwreck fourteen days in a Mediterranean storm 276 lives and a prisoner who became the calmest man on the ship Rome at Last chains a rented house the prison letters and the last words of a man who had finished the race Each chapter includes historical context narrative reconstruction drawn from Paul s letters and the book of Acts contemporary application and reflection questions for personal or group study The ESV is the primary translation with select comparisons where the language illuminates the text This is not a stained glass saint This is a

real man brilliant passionate flawed forgiven and utterly consumed by the one thing he believed was worth dying for Part of the Ancient Faith Series Book III of V Letters to the World Witnesses The Road to Rome The Twelve Daily With Paul Each volume stands alone Together all five trace the full arc of the early church from Paul s letters through the spread recorded in Acts through Paul s life and journeys through the apostles themselves and into daily life shaped by Paul s teaching The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Daniel, by J. The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Haggai, Zechariah, Malachi, and Jonah ,1927 **The Public** ,1919 **In the Matter of Nat Turner** Christopher Tomlins,2022-06-14 A bold new interpretation of Nat Turner and the slave rebellion that stunned the American South In 1831 Virginia Nat Turner led a band of Southampton County slaves in a rebellion that killed fifty five whites mostly women and children After more than two months in hiding Turner was captured and quickly convicted and executed In the Matter of Nat Turner penetrates the historical caricature of Turner as befuddled mystic and self styled Baptist preacher to recover the haunting persona of this legendary American slave rebel telling of his self discovery and the dawning of his Christian faith of an impossible task given to him by God and of redemptive violence and profane retribution Much about Turner remains unknown His extraordinary account of his life and rebellion given in chains as he awaited trial in jail was written down by an opportunistic white attorney and sold as a pamphlet to cash in on Turner s notoriety But the enigmatic rebel leader had an immediate and broad impact on the American South and his rebellion remains one of the most momentous episodes in American history Christopher Tomlins provides a luminous account of Turner s intellectual development religious cosmology and motivations and offers an original and incisive analysis of the Turner Rebellion itself and its impact on Virginia politics Tomlins also undertakes a deeply critical examination of William Styron s 1967 novel The Confessions of Nat Turner which restored Turner to the American consciousness in the era of civil rights black power and urban riots A speculative history that recovers Turner from the few shards of evidence we have about his life In the Matter of Nat Turner is also a unique speculation about the meaning and uses of history itself Secrets of the Bloodline Susann Urbyn,2026-03-03 Secrets of the Bloodline follows Aveline Delacour a young woman drawn into a dangerous quest to uncover the mystery of her family s ancient legacy Haunted by recurring prophetic dreams and in possession of mystical artifacts a locket that seems almost alive and a series of related relics she learns that her identity is intertwined with supernatural forces and a violent past While dealing with modern challenges at Chronos Artifacts and her feelings for her boss Daniel Oberly she faces shadowy foes like pirate captain Sebastian Blackwell in her dreams only to discover it s a different reality Aveline must confront not only external threats but also her inner conflicts about destiny power love and the truth of who she really is Ultimately her journey will reveal that she is far more than a victim of ancient history she is a key player in a cosmic multidimensional struggle between order and chaos *Schumpeter's Vision* Arnold Heertje,1981 Praeger special studies Praeger scientific
