The Builder ,1907 *Firsts, Lasts & Onlys of Cricket* Paul Donnelley,2010-10-04 200 brilliant and bizarre curiosities highlighting the First Last and Onlys that have occurred during the illustrious history of this sport from the determined cricketers fined for playing on the Sabbath to the only virtuoso to score a century and take all ten wickets in a single innings This absorbing collection of stories is guaranteed to enthrall and includes some of the greatest gentleman to have graced the field of play such as The first player to bat on all 5 days of a test match The last incidence of under armed bowling in an international match The only father and son to score centuries in the same First Class innings Delight in a myriad of facts that you never knew about this glorious game

Sir Donald Bradman Memorabilia James Merchant,2015-10-01 Sir Donald has always encapsulated a lot of what inspires me He was a remarkable sportsman and an Australian Legend who handled his fame with class His cricket prowess and longevity of life meant that a lot of memorabilia was produced since around 1930 and there is always a market for it As a person inflicted with the collecting bug and a strong sense of National pride I couldnt help myself There are many collectors and museums in the cricketing world but there is very little reference material relating to their treasures I have always kept the sales advertisements brochures certificates and boxes pertaining to the items in my collection because they give it more meaning An item of memorabilia can give you visual stimulus and

even prompt some feelings relating to its procurement or your journey to see it However Ive learnt that a little bit of knowledge can also transcend an item of memorabilia from an object to something more of a friend or family member For the statistically minded there are 209 A4 pages featuring 141 different items 214 colour images 381 references and 89 different cricketers are mentioned in connection with the items *The Wisden Collector's Guide* Jonathan Rice,Bill Furnedge,2011-06-21 The Wisden Collector s Guide is the definitive companion to one of the world s most important sporting publications It begins with an overview of Wisden Cricketers Almanack introducing the original Wisden and describing the history of the publication The next section contains highlights from each of the 147 editions including bibliographic information excerpts from the best articles cricketers of the year interesting obituaries and noteworthy events and matches There is even some added historical context in the form of a selection of news stories It concludes with a section dedicated to the serious collector It contains a price guide and gives advice on how to build a collection and avoid forgeries and provides a variety of useful contacts Affording a glimpse of the cricketing and historical landscape of the last 147 years this is an accessible and fascinating volume for cricketing fans generally and a must have item for Wisden collectors
