Witching Moon:

Witching Moon Rebecca York,2003 **Witching Moon** Poppy Woods,2020-01-07 Alandra Michaels is your everyday run of the mill ordinary witch She doesn't have an affinity for an element like her sister She can't speak to the dead like her mother Even her familiar Beezelbub the moth is a plain non-threatening insect Alandra is fine with that she knows what she is and what she isn't Or so she thought When a spell goes wrong and a gorgeous woman shows up in her living room claiming to be the Moon everything changes for Alandra and her magical abilities will be put to the test Can she reverse the spell and send Luna back to her realm Celestials never go to Earth anymore When witches figured out they could harness their energy for ultimate power celestials closed the doors to their own realms When a beautiful young witch accidentally summons Luna to Earth the clock begins ticking Can she make it home before she's sacrificed for her power Will she even want to

Witching Moon Anna M L Koski,2020-02-29 BamBam was a rather poor witch That was why she ended up banished Too many broken rules had her banished to the outer edges of the Territory She was stuck just on the edge between her world and that of the Werewolves Not that she cared much she was still bitter about the banishment to care much about anything That all changed when she nearly crashed her old truck due to one large hulking werewolf with a child clutching onto his pant legs BamBam had been hesitant at first untrusting of the werewolf named Ren but one look at the sodden child and she melted She brought them home cleaned them up and soon learned that her life was now at the center of a dark magick spell and a curse six hundred years in the making Because Ren had taken a child prophesied to be the end of the curse attacking both the Territory and the Werewolves BamBam was now stuck on the edge of a choice Give the child back and return her status as a formidable witch and let them end the curse without a glance backwards Or keep the child and Ren safe and away from those seeking them both and let the two species figure out their own demise A hard choice for one creature to make but BamBam knows there is only one choice that will finally give her what she had craved for for so long Something or somewhere she doesn't feel out of place and alone It is a choice that will change the course of the future What or who will BamBam choose Tick tock Can't stop the clock **The Witching Moon Manor** Stacy Sivinski,2025-10-07 The magical

themselves feels murkier than ever And when the threads of fate begin to unravel Anne must lean on her sisters and team up with a mysterious and oddly infuriating necromancer to save the city from an uncertain destiny and help old friends find a happy end With all three Quigleys back in the warm comfort of the Crescent Moon they set out to bargain with Fate once more But will the sisters find the courage to embrace who they have become while returning to what they left behind or will the future unfold in a way that even a Quigley couldn't have predicted

Welcome to Starlight Hollow a small town on Hood Canal Washington where dreams become nightmares and nightmares become reality Faron's been in an induced coma for over a month and the doctors don't know when or if they'll be able to bring him out of it Devastated I turn to my work but someone is intent on destroying my business and me along with it Fancypants suggests that I ask May for help and Bran overhears Bran offers to help and as we attempt to unravel the mystery of who's out to get me he also offers me emotional comfort that quickly sparks into passion a passion that's been lurking beneath the surface since we first met Too late I realized that I'm falling in love with two men one who may never wake up and the other who's all too accessible But can Bran keep me safe from my mystery nemesis And will I be able to decide what to do about the two men in my life

Welcome to Starlight Hollow a small town on Hood Canal Washington where dreams become nightmares and nightmares become reality I'm Elphyra the Witch of the Wild I live in Starlight Hollow a magical small town on the west side of Hood Canal Washington The town is filled with people who need magical help and advice some tea or a shoulder to confide in They come to me and I do what I can to help them and to protect the town Bree my best friend has started to notice a strange energy She feels like she's being watched We discover an old graveyard near her house and the trouble seems to be emanating from there At first I think it's a ghost but then we discover it's something far more dangerous a force that brings up a past that both Bree and I forgot I'm going to need help so I call on Faron Collinsworth the King of the Olympic Wolf Pack Faron's one of the only people who can help me go up against the stalker
