**Within Prison Walls; Being a Narrative During a Week of Voluntary Confinement in the State Prison at Auburn, New York** Thomas Mott Osborne, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1914 edition Excerpt CHAPTER XIII A NIGHT IN HELL AS Captain Martin and I traverse the long stone passage leading from his office to the death chamber I listen intently to catch any sound from the jail for I am wondering whether or not I shall have any companions in misery but nothing can be heard Even when the Captain unlocks and opens the door on the right at the end of the passage and I step into the dungeon there is no indication of any other inhabitants Except for our own movements the silence is complete although there is a peculiar reverberation of the vaulted roof which reechoes every sound we make I am aware of a sort of uncanny feeling about the place as though there were some sort of living creature man ape or devil in every cell with his face close to the bars peering through and holding his breath The Captain going to a locker which is at Jiis left backing against the iron wall of the first cell opens it and takes out a shirt trousers coat cap and a pair of felt shoes Take off your clothes and put these on he says briefly I take the clothes as he hands them to me and place them upon a bench at my right where I also sit and proceed to make the required change If these are the clothes which have been carefully washed and cleaned for me I should like to examine at a safe distance the ordinary ones They must be filthy beyond words And I suppose no one but a prisoner ever wonders or cares about the condition of the last man who wore them I take off my gray uniform shirt and shoes and as I stand in my underclothes the Captain feels me all over from head to toes to find out whether I have concealed about me a weapon or instrument of any kind I presume the idea is to guard against suicide After I have been

**Within Prison Walls (Heathen Edition)** Thomas Osborne, 2023-01-03 Thomas Mott Osborne 1859 1926 was an American prison administrator prison reformer industrialist and New York State political reformer who was so inspired by Donald Lowrie's 1912 book *My Life in Prison* and its call to action concerning prison reform that he convinced the governor of New York to appoint him chairman of a new State Commission on Prison Reform Then on behalf of that commission and to better understand the prison problem

firsthand Osborne voluntarily entered Auburn Prison as Tom Brown No 33 333x for one week in 1913 to live as a prisoner even going so far as having himself thrown into solitary confinement The 1914 publication of that electrifying experience *Within Prison Walls* shocked the world and made him the most prominent and respected prison reform crusader of his day

*The Publishers Weekly* ,1910      *Federal Probation* ,1959      *Within Prison Walls* T. M. Osborne,2013-04-23 Thomas Mott Osborne investigated the conditions inside the prison and wrote a scathing study of its effects Janet Miron Prisons Asylums and the Public Institutional Visiting in the Nineteenth Century University of Toronto Press 2011 BEING A NARRATIVE OF PERSONAL EXPERIENCE DURING A WEEK OF VOLUNTARY CONFINEMENT IN THE STATE PRISON AT AUBURN NEW YORK Thomas Mott Osborne decided to test the system for himself by serving voluntarily as a prisoner for a week in the Auburn Prison This book consisting partly of notes written from day to day during his confinement and partly of subsequent comments and additions is the result It tells vividly and without reticence all that he did see and hear At times it reaches a high pitch of dramatic expression not through any conscious effort of the author s but just because he describes simply what he felt and beheld His chapter A Night in Hell describing the horrors of solitary confinement should rouse the conscience of every reader to protest against the perpetuation of such barbarities His report as a whole reveals not only grave defects in administering the penal system but even more in the system itself Mr Osborne s book surpasses in interest the sensational novel because it is true One very important feature in it is the revelation it gives of his ability to get the sympathy of the prisoners and so to understand them Without such understanding which involves the acknowledgement that they are human beings subject to similar passions and amendable to similar incentives as their fellows our prisons will continue to be haunts of legalized inhumanity in which as Mr Osborne remarks the souls and bodies of their inmates are destroyed by a deliberate regimen The Harvard Graduates Magazine Volume 23 1914 1915 His career as a penologist was short but in the interval of the few years he served he succeeded in revolutionizing American prison reform if not always in fact then in awakening responsibility He was made of the spectacular stuff of martyrs to many people perhaps ridiculous but to those whose lives his theories most closely touched inspiring and often godlike The New York Times CONTENTS I WHY I WENT TO PRISON II SUNDAY S JOURNAL III MONDAY MORNING IV MONDAY AFTERNOON V THE FIRST NIGHT VI TUESDAY MORNING VII TUESDAY AFTERNOON AND EVENING VIII WEDNESDAY MORNING AND AFTERNOON IX WEDNESDAY EVENING X THURSDAY XI FRIDAY XII SATURDAY XIII A NIGHT IN HELL XIV SUNDAY THE END XV CUI BONO
