

The Cross

Donald Hankey

The Cross:

The Mystery of the Cross Judith Couchman, 2010-03-05 Christianity is a religion founded on the mystery of the cross of Christ. Leo the Great. At the center of Christianity sits the cross of Christ. From the beginning Christ's followers celebrated the cross as a symbol of their faith. It was honored in church worship, carved into rough tombstones, pressed onto loaves of bread, and set out as a sign of sanctuary. The cross represented what Christians believed, who they hoped for, and how they approached life. In this thoughtful book, Judith Couchman takes up forty images of the cross from early Christianity. As we discover the meaning and significance of each of these uses, we learn a little more about the early church. More than that, she helps us focus on the meaning of the cross and the Savior's sacrifice. Ideal for Lenten devotional reading and appropriate for any season of the church calendar, this book includes original illustrations of each cross image. *The Mystery of the Cross* will enrich your understanding of Christian tradition and draw you into Christ's presence. *The Cross* Robin M.

Jensen, 2017-04-17 This erudite history illuminates the social, cultural, as well as theological developments of the cross through 2000 years of its symbolic evolution. *Library Journal*. Jesus's death on the cross posed a dilemma for Saint Paul and the early Church fathers. Crucifixion was a humiliating form of execution reserved for slaves and criminals. How could their messiah and savior have been subjected to such an ignominious death? Wrestling with this paradox, they reimagined the cross as a triumphant expression of Christ's sacrificial love and miraculous resurrection. Over time, the symbol's transformation raised myriad doctrinal questions, particularly about the crucifix, the cross with the figure of Christ, and whether it should emphasize Jesus's suffering or his glorification. How should Jesus's body be depicted, alive or dead, naked or dressed? Should it be shown at all? Robin Jensen's wide-ranging study focuses on the cross in painting and literature, the quest for the true cross in Jerusalem, and the symbol's role in conflicts from the Crusades to wars of colonial conquest. *The Cross* also reveals how Jews and Muslims viewed the most sacred of all Christian emblems and explains its role in public life in the West today.

The Cross of Christ John R. W. Stott, John Stott, 2006 In this thoughtful, comprehensive study of Scripture, tradition, and the modern world, John R. W. Stott brings readers face to face with the centrality of the cross in God's plan of redemption.

The Cross Max Lucado, 1998 For all eternity, the cross of Christ manifests the supreme evidence that God so loved the world. With dramatic photos and memorable selections from Max Lucado's treasured writings, this magnificent gift book celebrates the glory, the mystery, and the inescapable reality of the cross. Images by internationally known photographers depict the cross in moving ways: carved atop an ancient cathedral, drawn in the sand, caressed in the prayer-worn hands of an aged nun. And cross-centered inspirational thoughts drawn from Lucado's bestselling books and beautifully highlight God's ultimate sacrifice. *The Cross: Crucified with Christ, and Christ Alive in Me* J. C. Ryle, 2019-11-01 I am crucified with Christ; nevertheless, I live; yet not I, but Christ lives in me; and the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave himself for me. Galatians 2:20 I want to tell you what perhaps the greatest Christian who ever lived

the Apostle Paul thought of the cross of Christ Believe me the cross is one of deepest importance This is no mere question of controversy this is not one of those points on which men may agree to differ and feel that differences will not shut them out of heaven A man must be right on this subject or he is lost forever Heaven or hell happiness or misery life or death blessing or cursing in the last day all hinges on the answer to this question What do you think about the cross of Christ Let me show you 1 What the apostle Paul did not glory in 2 What Paul did glory in 3 Why all Christians should think and feel about the cross like Paul

The Cross Donald Hankey,1919 [The Cruciality of the Cross](#) P. T. Forsyth,1997-01-08 It is sometimes said that the great question of the hour for the Church s belief is Christological it is the question of Christ s person That is true But it is the question of the cross all the same p16 Written over seventy years ago P T Forsyth s Cruciality of the Cross continues to provide an excellent and vital foundation for an understanding of the Christian doctrine of the atonement

The Cross Douglas Vickers,2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In *The Cross Its Meaning and Message in a Postmodern World* Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning The Cross explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and knowledge

The cross: heathen and Christian Mourant Brock,1882 **Why the Cross?** Edward Leen,2009 Jesus death on the cross is the central act of human existence which links every act of suffering self giving or self denial with God Himself The author of the book *Why the Cross* is a priest who wrote on the eve of World War II makes the connection between the Crucifixion as the horrible expiation for all sins and the need for ordinary faithful to willingly embrace suffering in its various forms to find their way to God How we obtain happiness amidst sufferingAddresses the problem of pain Too many use their religion as medicine and not as food They make of it a remedy for evil and not a means to good

The Cross John Charles Ryle,1852 **The Cross of Christ** John Stott,2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God s plan of redemption

Why the Cross? Donald Senior,2014-11-18 The meaning of Jesus s execution on a Roman cross is one of the most divisive issues in contemporary theological discourse because issues related to

the goodness of God and the place of suffering in the Christian life are at stake Although it is important to locate that discussion in the context of the range of New Testament perspectives on the soteriological significance of the cross it is also important that we recover the meaning of the cross as a metaphor for discipleship In the end the event of Jesus's death cannot be understood apart from the character of his life This book will contribute to New Testament studies but also serve related discussions in theology and Christian formation Reframing New Testament Theology is a series that fulfills the need for brief substantive yet highly accessible introductions to central questions and themes raised by study of the New Testament A significant defining question will serve as the point of departure and will frame the discussion Students will be drawn into an active theological engagement with the New Testament and related materials by the subsequent analysis

The Cross Martyn Lloyd-Jones, 1986 Ever since his first sermon in 1925 Martyn Lloyd Jones consistently emphasized the significance of Christ's sacrifice for our sake This new collection of sermons reveals this theme in Lloyd Jones classic expository style showing his gift for combining a warm personal devotion to Jesus Christ with deep theological insight His grasp of Scripture still causes the maturest believer to ponder yet he brings a simplicity of thought to his preaching that even a child can understand and enjoy The Cross explains how Christ's crucifixion works for our redemption and why this even is the cornerstone of the Christian life

The Cross Rod Parsley, 2013 Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus's sacrifice to explore the significance of the cross in the unfailing light of Scripture

Savior Magrey deVega, 2020-12-15 The cross is the central symbol of the Christian faith But what exactly did Jesus do to save us from our sins Why was the cross necessary and what does it mean for us today In Savior What the Bible Says About the Cross Magrey deVega faithfully describes the need for reconciliation between humankind and a holy God through Jesus death on the cross The Bible uses many images to understand the meaning of Jesus death and resurrection and deVega guides us through these images to achieve a richer understanding of the Christian faith By exploring the mystery of salvation through the cross we can deepen our love for God and others and strengthen our commitment to follow Jesus Components for this six session study will include a book leader guide and a DVD with videos featuring deVega presenting each chapter's main ideas and themes The leader guide will include instructions for showing and discussing these videos as an option for the group leader

The Cross of Christ Andrew Murray, 2017-09-05 Andrew Murray relates in this work the importance of the cross to Christian belief and to the lessons which Jesus Christ wanted to teach all of mankind Although demonstratively brief Murray's explanations contain a conviction and poignancy explaining the centrality and vitality of the crucifix to the Christian faith The crucifixion's importance in Christ's message and destiny and the reasons behind why his spirit was led to a painful end upon the cross are keenly discussed by Murray He delivers explanations of the cross as a symbol of Christian attainment wherein God takes possession of the human soul and frees it from sin for eternity Andrew Murray authored 200 works on the religion and ministry of Christianity the Bible and on

topics inspiring Christians to lead virtuous and happy lives Murray spent most of his life imparting the word of God in churches throughout South Africa and in the 1880s became an important figure in the founding of the South African General Mission

The Faith, the Cross, the Gospel, and the Worship of God Arvil Jones, 2008-06 This book is different from most other books of the same genre It simply takes another approach at expounding upon these great Biblical themes The author has taken the letters of each theme and has built a chapter or chapters upon each letter The author simply believes that there is something else to be said than what has been said so far about The Christian Faith the faith which was once delivered unto the saints May God bless each reader who reads these few pages Dr Jones was born in the small Southeastern Kentucky community of Girdler He is the youngest of fourteen children seven boys and seven girls He and his wife Carolyn now reside in Hamilton OH Dr Jones has earned a Masters degree in Theology and a Doctorate in Religion having held five pastorates in over thirty years of ministry This present work is his fourth book

What's So Important About the Cross? Derek Prince, 2017-03-07 We know that Jesus death on the cross is a historic fact but does it have any true meaning and value to us today Legendary Bible teacher Derek Prince explains that the cross not only provides forgiveness from sin it also makes everything else work in our lives The cross continues to be the ultimate demonstration of God s love and the source of ongoing supernatural grace for us It is also the basis of healings and miracles today and the foundation of Satan s total defeat It is even the door to God s secret wisdom as it allows us access the mind and heart of our heavenly Father By recognizing to the centrality of the cross personally applying it our lives we enter into the totality of God s power and provision for us The cross not just a historical event but forgiveness victory abundance Today
