Turn Magic Wheel:

Turn, Magic Wheel Dawn Powell, 2011-11-08 Dennis Orphen in writing a novel has stolen the life story of his friend Effie Callingham the former wife of a famous Hemingway like novelist Andrew Callingham Orphen s betrayal is not the only one nor the worst one in this hilarious satire of the New York literary scene Powell personally considered this to be her best New York novel Powell takes revenge here on all publishers and her baffoonish MacTweed is a comic invention worthy of Dickens And as always in Powell s New York novels the city itself becomes a central character On the glittering black pavement legs hurried by with umbrella tops taxis skidded along the curb their wheels swishing through the puddles raindrops bounced like dice in the gutter Powell s famous wit was never sharper than here but **Turn Magic Wheel** is also one of the most poignant and heart wrenching of her novels

Dawn Powell's Heroines Claire Gerber, 2012 Dawn Powell a little known American writer has recently experienced a small revival but the existing body of criticism lacks true substance and scholarship Here works need to be reexamined and this study seeks to do so through the lens of gender and identity It examines the role of the heroine in two novels **Turn Magic Wheel** and **A Time to Be Born**
